Father McGivney's Dream

Father Michael J. McGivney founded the Knights of Columbus in New Haven, CT in 1882. He understood that the first duty of a Catholic husband and father was to his family – to care for their needs while alive and to the best of his ability, to provide for their care in the event of his death.

Central to Father McGivney's founding vision of the Knights of Columbus was providing for the financial security of Catholic families, particularly the widows and orphans of deceased members.

Today the Knights of Columbus exists around the world with nearly 1.7 million members and their families committed to the vision of this one priest and his founding principles of **Unity, Charity, Fraternity** and **Patriotism**.

Much like the Knights of Columbus, emergency personnel share a close knit fraternal bond forged by common experiences as well as similar values and interests.

Now more than ever, emergency rescue personnel need to join the Knights of Columbus. You owe it to yourself and your family to see what Father McGivney saw over 120 years ago when he started the Knights of Columbus for the benefit all Catholic families.

Educational Aid

The Knights of Columbus offers various college scholarship and fellowship programs to members and their families. Each year the Order gives out more than 600 scholarships totalling well over \$1.2 million.

The Matthews and Swift Educational Trust Fund provides tuition-only scholarships to Catholic colleges up to \$25,000 per year for children of a member killed or permanently and totally disabled as a result of military service in armed conflict in a combat zone, and for children of a member who is a full-time, uniformed law enforcement officer or firefighter who is killed in the line of duty as a result of criminal violence directed at him. Applications must be filed within two years of the member's death or (for servicemen) disability.

There are a wide variety of programs available; Fourth Degree Pro Deo and Pro Patria Scholarships; John W. McDevitt Scholarships; The Catholic University of America Graduate Fellowships and Bishop Charles P. Greco Fellowships are just a few.

For complete information on these or any other scholarship programs, please contact the Scholarship Department, (203) 752-4332
