

# CI102 Office Case Study Task 10-2 Smart Map Search Results

The screenshot displays the 'Smart Map Search' interface. At the top, a navigation bar includes tabs for '102 Smart Map Search', 'Add Data', 'Create Maps', 'Define Areas', 'Run Analysis', and 'Share Results'. A search bar on the right contains the text 'Enter an address or location'. The left sidebar shows the search configuration: 'Set your ranges.' with 'Census Tracts' selected, and a 'Custom Variable - 102 Smart Map Search' with a range from 4,699 to 5,103. The main map area shows a geographic view of the Dallas-Fort Worth metropolitan area, with major highways like I-35, I-75, and I-45. A blue arrow points to a specific location near Frisco and Allen. The map includes various city names such as Frisco, Allen, Plano, Dallas, and Rockwall. The bottom right corner features the 'esri' logo and the text 'POWERED BY Texas Parks & Wildlife, Esri, HERE, Garmin, SafeGraph, METI/NASA, USGS, EPA, NPS, USDA'.
