---

### Attending:

- Minutes from August meeting unanimously approved
- 

### Treasurer's report: Marti Loughney

- Began August with \$19,869.97 balance; ended August with same. (See bank statement for details)
  - **Teri M:** Said she has turned in a debit for \$69.30 in ice cream.
- 

### Fundraising

**Stephanie Bonitz:** Most of the fundraiser information we got previously indicated folks were most interested in the Gardner Pies. We had a few more responses than last year.

10 people were interested in cookie dough, 12 in the Gardner Pies and Haandel's Ice Cream had 5 people interested.

A good number of people also were interested in future fundraisers.

The question is: Do we want to pursue something right now?

**Lester Wicks:** What's the turn around (between orders being submitted and delivery)?

**Stephanie Bonitz:** About two weeks.

**Lester Wicks:** It would be a nice fundraiser as a push for Thanksgiving. If we know it's in by the end of October, they'll have pies by Thanksgiving. Parents could also freeze pies for Christmas.

**Stephanie Bonitz:** Kids would need the order forms by the second week of October. We were stuck with pies last year.

**Angelica Weichman:** Pies come in multiples of four, so if you get 17 orders for a certain pie, you actually need to buy 20.

**Stephanie Bonitz:** Usually we can get rid of most of them, but that didn't happen last year.

**Teri Matulis:** Have we sold band T-shirts in past?

**Stephanie Bonitz:** \$10 short sleeve, \$15 long sleeve. That would probably be a great idea.

**Lester Wicks:** I like the ones that say, "I'm with the band." (After discussion of what wording would work for the most people)

---

## Concessions

**Teri Matulis:** Truly won't be able to do concessions because she's got a new job. We'll need someone to head that committee, but I'll step up if needed.

**Stephanie Bonitz:** In the band cooler, pop froze at the bottom and exploded. We went in there for water for football and found that treat.

Basketball season is questionable.

**Teri Matulis:** The Athletic Boosters said we do concessions for track. I don't know how that will turn out, but anything we can do helps.

---

## Communications

**Stephanie Bonitz:** We have 14 in the Music Booster Remind class, which is better than 8.

**Bob Gaetjens:** Asked about the legality of inviting a bunch of parents to the Booster Remind class.

**Stephanie Bonitz:** I might be able to just take all the band parents and copy them over to the Boosters Remind class.

## Miscellaneous

**Stephanie Bonitz:**

Thursday, September 10, 2020

We have this week off, I guess, because we have no opponent (for football), and then we have three more home games after that.

We still have on the band calendar the St. V/St. M band show, but we're not going.

Playoffs start on Saturdays this year.

**Angelica Weichman:**

The choir uniforms need to be dry cleaned.

**Stephanie Bonitz:** We need our trophy and booster gift orders filled.

**Teri Matulis:** Said she'd call Miracle and Jimmy Partlow.

Adjourn: 8:02 p.m.
