## MISSION STATEMENT

---

The mission of Dog Grooming School of Pennsylvania, LLC is to produce qualified and knowledgeable graduates, and to foster development of ethical professionals prepared for positions in the dog and pet grooming industry. The Dog Grooming School of Pennsylvania, LLC is committed to offering quality training that meets the needs of its students and assists them in pursuing their professional goals.

## HISTORY

---

Shara L. Connors established At Your Service Pet Nannies of Bucks County, LLC in 2008. In June 2011, she added mobile pet grooming to the company's services under the name At Your Service Mobile Pet Grooming and then in February 2012, At Your Service Dog Grooming was also added. In 2019, Jim's Mobile Dog Grooming was added. In 2020, Yardley Dog Grooming was added.

In January 2016, Dog Grooming School of Pennsylvania was opened to offer a hands-on training course that teaches all aspects of dog grooming. Since the school is also a grooming salon, students gain the experience of working in an actual grooming business. The courses are taught by an experienced teacher, who has owned multiple salons and mobile grooming businesses. Small class sizes provide individualized attention with mentor style training. The course focuses on actual grooming, giving the students the opportunity to handle the dog from the moment it enters the school until it leaves.

## ACADEMIC POLICIES

---

### ATTENDANCE

---

The Dog Grooming School of Pennsylvania, LLC's attendance policy approximates the expectations found in a work situation. It is essential that each student learns the discipline of regular and prompt attendance as well as the skills involved in the industry. At the time the student moves from education and training into a career, employers will be extremely interested in dependability and punctuality. No matter how skilled the person, an employee is valuable only when present on the job. The faculty and staff of The Dog Grooming School of Pennsylvania, LLC consider each moment in class imperative for success. Students are only permitted one absence to meet the minimum attendance requirement. **If a student has more than one (1) missed class in the 20-day program, they will be dropped from the program.** A doctor's note from the student's physician is required for the (1) missed class and the make-up class for the missed class will have to be taken during the next session; thus, delaying graduation. Make-up classes will be available during the next weekday session at a cost of \$300 per class.

### TARDINESS

---

All students are required to be in class every day on time. Class begins promptly at 10am for weekday students. Any student who arrives after 10am will be considered tardy. Three (3) tardies will be marked as a missed class. A missed class without a doctor's note constitutes dismissal from the program as described above. Students should plan to be at their grooming stations and ready to work at the start time.

### DRESS CODE

---

It is important that students dress in an appropriate and professional manner in preparation for employment. A student's appearance should be neat, clean and professional. Students must wear a black collared polo shirt and khaki pants fitted at the waist. White long-sleeved shirts are permitted under polo shirts. Shirts are to be buttoned and tucked in at the waist. Closed-toe shoes are required for safety and comfort. No opened toe shoes are permitted in any style. Jewelry is limited to the following: Modest necklace is permitted, earrings restricted to post type (no dangling earrings for safety purposes). Any other bodily ornaments, including facial piercings, must be removed for work safety. Students with gauged ears must remove their jewelry before class. Tattoos, in general, are acceptable. Tattoos that may be deemed offensive should not be visible. Examples of offensive tattoos would include the following: Tattoos that degrade a specific religion, race, or gender; tattoos containing profanity or controversial phrases; tattoos of political figures; tattoos of weapons or threats of physical or emotional harm; tattoos containing nudity or sexual innuendos, and tattoos that promote drug or alcohol use. Body piercings may not be visible in school attire. Long hair should be secured for safety reasons around the animals. Fingernails must be modest in length so as not to interfere with your work. No perfume, cologne or body fragrance.

## GRADES

---

Students will be graded on lab assignments (75%) and Final Exam (25%). Grades are issued upon the completion of each course. An evaluation of satisfactory progress for this course is made after each course. The grading system is as follows:

Letter Grade	Quality Points	Percentage	Indicator
A	4.0	100 – 90 %	Excellent
B	3.0	89 – 80 %	Good
C	2.0	79 – 75 %	Average
F	0.0	Below 74 %	Failing

Any student with an "F" is required to repeat the course and must obtain a grade of "C" or better to remain in the program. After the student has successfully repeated the course as required by this policy, the previously assigned grade of "F" is not factored into the student's grade point average. Grade point averages are computed by dividing the total number of quality points earned by the total number of courses satisfactorily completed. Only grades of "C" or better are considered satisfactory.

## ACADEMIC PROBATION

---

At the end of the scheduled course, a grade is assigned to each student based on the teacher's evaluation of the student's in-class performance and test results. If the student's grade is below 75% the student will be automatically placed on academic probation and is informed of this fact in writing. This probationary status is removed when the student repeats the course and receives a grade of "C" (75%) or higher. The student on Academic Probation is allowed only one opportunity to earn the required quality points by receiving a grade of 75% or higher and may not repeat the program course a second time. If the student's grade point average has not returned to a "C" (75%) or better, the student is dropped from the program.

## COURSE RETAKE (MAKEUP) POLICY

---

The course retake policy is offered to students who have unsuccessfully completed a course and received a failing grade of (F). The school reserves the right to extend the time needed to make-up an incomplete grade. There are additional charges for the student who retakes a course.

## GENERAL INFORMATION AND STUDENT SERVICES
