## Instructions for renewing your Grace Tinsley Scholarship

Grace Tinsley Scholars are eligible for renewal of their scholarships for their second year of college in the amount of \$1,500.00. The deadline to renew is **MARCH 1<sup>st</sup>**.

**Remember:** Grace Tinsley Scholarships consist of one payment per year. It is up to you to work out with your college how your scholarship should be applied—whether entirely to one semester, or split between semesters.

To renew your scholarship for your second year of college, you **MUST** provide the following three items by **MARCH 1<sup>st</sup>**.

1. A **transcript** showing your first semester grades. You must have a cumulative GPA of 2.0 or higher to qualify for a renewal of your Grace Tinsley Scholarship. An unofficial transcript, or copy, scan, or screenshot from your online student account is perfectly acceptable.
2. A **personal statement** (**MINIMUM 200 words**) telling us about your college experience so far. You can share your goals, achievements, challenges and successes, and may add anything else you would like for us to know. Please note that we may use excerpts of your statement in our publications or on our website. Be sure to put your name on this statement.
3. A **financial statement** including your expected costs for attending school for your second year, as well as your anticipated income for that year. A link to this Google Form may be found on our website: <http://www.gracetinsleyscholarship.org> under the “Scholarships” tab. We use this information as an in-house tool only to find out more about how our scholars pay for college and what kind of debt they are incurring to attend.

It is your responsibility to file these renewal materials on time. Electronic submission of documents is preferred and recommended.

**The Grace Tinsley Memorial Scholarship Committee reserves the right to deny scholarship renewal to any student whose renewal submission is late and/or incomplete.**
