

LET HIM BE

I'd like to share a conversation I had with the Holy Spirit this morning. He said that the Father has prepared a life for you of His own making. It has a future within it that's beyond anything that you can comprehend with your natural mind, your reason, or your understanding.

It contains things that your eyes have never seen, your ears have never heard, and things that have never entered into your heart, and God has already prepared it for you to walk in.

The Father has paid everything that He has, His highest price to initiate it and create it for you. He has committed everything he has to expand it, and be its unlimited supply.

He is committed to defend it with every bit of his authority and power against all comers.

He has committed His Holy Spirit and his entire host of angels to guarantee the fulfillment of his desired purpose, to fill the Earth and everyone and everything in it with his glory.

He then asked me, are you willing to lay down your useless way of life so that you can have the life that I've prepared for you?

He went on,

The kingdom of God is like a man who found a treasure hidden in a field, and with joy he went and sold everything that he had that he might buy the field.

Or the pearl merchant who found one pearl of extremely precious price, and went and sold every other one that he had that he might obtain it.

I believe that He's looking for Mary's response when the angel Gabriel told her that she would give birth to the Messiah. She asked how that would happen, and the angel explained that the Holy Spirit would come upon her, and that Holy thing that came from her life, would look like, sound like, and be God himself.

She responded, "be it unto me according to your word." In other words I can't make this happen, but I will let it happen in me.

This world is crying for us to make the invisible God of the spirit realm visible in our world, to fulfill his purposes and do exceedingly, abundantly, beyond anything we would ever dare ask or think, by his spirit that works in, his children.

Let's lay down our useless lives that we inherited from Adam and Eve and LET HIM BE EVERYTHING THAT HE IS IN US.

God Bless You
