

Marple Newtown Weather and Information Net Script

Pre-Net Announcement (8:28 AM)

Good morning, this is (call sign). The Marple Newtown Amateur Radio Club's Weather & Information Net is due to start in about 2 minutes. Of course, emergency traffic can break into the net at any time, but if you have an urgent need for the W3DI repeaters or emergency traffic to pass on them before the net begins, please call (call sign) now.

[Make sure you bring up Echolink now.]

Net Start Script (8:30 AM)

Good morning and welcome to the Marple Newtown Amateur Radio Club's Weather and Information Net for (day & date). This net runs daily starting at 8:30 AM and usually continues until all check-ins are acknowledged. All licensed amateurs are welcome to check in and participate in the net.

The net uses the linked W3DI repeaters located in Newtown Square, PA using the frequencies of 147.195 MHz with a PL tone of 100 Hz, 442.25 MHz with a PL tone of 131.8 Hz, and via Echolink using the call sign of K3MN-R.

This is a directed net meaning that proper net protocol is in place where all traffic, check-ins and comments are to be directed to net control. My call sign is (call sign), my name is (name) and I will be the net control for today.

Net Call for Check-ins

[First recognize Echolink stations]

This is (call sign) the net control station for the Marple Newtown Weather & Information Net, if you like to check in, please call now.

Weather & Information Break

Between 8:50 & 9:00 announce the following.

- 1) 7-day local weather forecast (weatherbug.com) is a good source}
- 2) Announce upcoming club meeting, program and events and the club website: "MNARC.ORG".
- 3) Announce any other information such as ham fests, VE sessions, etc.

Last Call for Check Ins

(After 9:15 AM, If no check in requests are heard for 30 seconds)

This is the last call for check ins to the Marple Newtown Amateur Radio's Club Weather & Information Net this morning.

If you want to get on the log this morning, you will need to call now.

Net Close Announcement

This has been the Marple Newtown Amateur Radio's Club Weather & Information Net. On behalf of the Marple Newtown Amateur Radio Club, I wish to thank all stations who checked in today for your participation, input, cooperation, and consideration for one and other. Also, we want to thank those who just listen to the net on their computers, scanners, or other equipment, and invite you all back again tomorrow at 8:30 AM to join us on the air again. The net is now closed, and the linked W3DI repeaters are returned to regular amateur use. This has been (call sign) for the Marple Newtown Amateur Radio Club.
