

Minutes of On-The-Air Meeting of March 4, 2021

Dick, W3UP opened the meeting at 7:00 pm.

He asked for checkins and 33 people checked in.

He then asked for reports from club officers. NA3K did not have anything to report other than he was busy recording minutes of the meeting.

N3OMR reported that we had 23 new members and a total of 111 members. Members that have not renewed will be dropped from the club email list until they renew.

W3JG mentioned the ARRL contest coming up on the next weekend. He stated that we are considering meetings conducted outside in the near future if we cannot have meetings inside.

We are also trying to stimulate existing licensees into becoming more active and ways to contact them.

A recorded presentation by K8QS on this matter followed and included discussion of ways to develop intrapersonal relationships with inactive hams or people that could become interested in the hobby.

The meeting was adjourned at 8:00pm.
