

Minutes of Meeting of April 6, 2021 at Drexel Lodge Park

W3JG opened the meeting and welcomed all attendees. Everyone introduced themselves.

W3UP thanked everyone for attending and mentioned that net participation has been the best in club history with over 30 check-ins common, and frequently more than 40.

Michael, N3OMR gave the treasurers report and said we have 125 members, which includes 30 new members. He also mentioned that the club's equipment is stored at Rose Tree fire Company.

NA3K stated that the previous meeting's minutes can be seen on the club's website.

W3JG said that a mentoring committee has been formed and will be chaired by Jay, N3RT to aid members in developing and furthering their skills. He will need assistance from members wishing to promote their specialty. Saturday activity on six meters was mentioned.

Jim is also working with other clubs to improve inter-club activities.

Responses to the proposed update to the constitution and by-laws received to date are positive up to now and a show of hands had the same result with one negative response.

Mike KB3SUS gave a short talk on emergency services and ARES. Approximately 35 people are involved.

Neil AA3EO will be coordinating field day, with more info to be sent out via email and website.

Noel, N3NZ's call sign will be used. Field day is the last weekend in June.

73, Bill, NA3K
