### Take care of yourself so you can take care of others. Stay healthy, stay safe!

Handmade fabric masks are NOT a replacement for medical grade masks are intended for personal use only. Reusable Fabric Face Masks can be used to guard from Air Pollution, Dust Protection, used in travel and are eco-friendly. Our masks are NOT intended to prevent, treat, or cure any diseases.: The CDC advises "the use of simple cloth face coverings to slow the spread of the virus and help people who may have the virus and do not know it from transmitting it to others in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies), especially in areas of significant community-based transmission". ALL masks are final sale and cannot be returned or exchanged. - due to personal use.
