

Good Afternoon Family!! *This message is long but PLEASE read in its entirety and review all attachments.*

THERE WILL BE A VIRTUAL ZOOM ASC MEETING HELD 5/17 AT 2:00 PM!!!

MEETING IS # 872-9964-2611

PASSWORD: 380821

This session will be slightly different from our regular ASCs and geared more towards answering questions (Zoom how to and 7th tradition included). All members of North Dade Area of NA are welcomed to attend so please pass the word.

I pray that each of you are remaining safe during this pandemic. Hopefully it will pass soon and we can return to regular scheduled activities. Until that time comes, your ADMIN Committee is doing what we can to keep North Dade Area running as smoothly as possible.

I am sure most of you are aware but there are several groups who have Zoom meetings up and running online. You can find that information by visiting the website at NorthDadeArea.org. Herb has been doing an excellent job with keeping this information updated and adding contact info for those who need to obtain passwords. ANY GSRS THAT ARE NOT SET UP ON ZOOM AND WOULD LIKE TO REGULARLY FACILITATE A MEETING PLEASE GET IN TOUCH WITH ME!!

THERE IS A FORMAT FOR ZOOM TO PRINT OUT AND USE AND INFO YOU CAN COPY AND PASTE TO USE TO REQUEST THE 7TH TRADITION!! THERE IS ALSO LITERATURE AND CHIPS YOU CAN SCREEN SHARE.

Our Treasurer, Tina, has gotten our cash app up and running so during these zoom meetings there can be a virtual 7th tradition basket passed. That cash app is **\$NDASC**. This cash is for anyone that wants to donate to our area so that we can continue to carry the message of recovery virtually.

Newsletter, Mary, is still hard at work to make sure that everyone who is celebrating anniversaries is still recognized during the anniversary month. Attached you will find a flyer and newsletter for the month of May. This will be how the newsletter is distributed until further notice.

Entertainment, Raynelle, is in the process of brainstorming so that when the city opens up we can have a great even to continue the unity in North Dade so please STAY TUNED!!!

Meeting List, John, is on fold for printing at this time but you can find all meeting info for Zoom and our regularly scheduled meetings online.

Literature, Cheryl, has some literature on hand for those that may need it and has contact info for anyone that may need to order literature/merchandise. However there are no orders from North Dade that are being put in at this time.

NDACNA, Phyllis, has been in touch with the hotel and was informed that no one will be available until June 1st. It is being considered to postponing the Convention until a later date, more will be revealed.

Helpline, Bruce, has been receiving some calls regarding meetings and has been provided with Zoom info to get those in need connected.

Our Chair, Shirley is doing her diligence to make sure all committees and subcommittees have the information and resources that we need in order to keep North Dade afloat.

All is well with H&I and Outreach.

Thank You All for allowing me to be of service and STAY SAFE!!

Keisha C.
