These officials shall furnish to the Village Clerk-Treasurer in writing, who shall forward to the Village Board, the information derived from such investigation, accompanied by a recommendation as to whether a license should be granted or refused. No license shall be renewed without a reinspection of the premises and report as originally required.

§ 134-9. Approval of application.

- A. No license shall be granted for operation on any premises or with any equipment for which taxes, assessments, forfeitures or other financial claims of the village are delinquent and unpaid.

The premises must be properly lighted and ventilated, must be equipped with separate sanitary toilet and lavatory facilities equipped with running water for each sex and must conform to all ordinances of the village.
- C. Consideration for the granting or denial of a license will be based on:

habitually been a law offender. For purposes of this licensing procedure, "habitually been a law offender" is generally considered to be an arrest or conviction of at least two offenses which are substantially related to the licensed activity within the five years immediately preceding the license application. Because a license is a privilege, the issuance of which is a right granted solely to the Village Board, the Village Board reserves the right to consider the severity, and facts and circumstances of the offense when making the determination to grant, deny or not renew a license. Further, the Board, at its discretion, may, based upon an arrest or conviction record of two or more offenses which are substantially related to the licensed activity within the five years immediately preceding, act to suspend such license for a period of one year or more.

§ 134-10. Granting of license.

- A. Opportunity shall be given by the governing body to any person to be heard for or against the granting of any license. Upon the approval of the applicant by the Village Board, the Village Clerk-Treasurer shall issue to the applicant a license, upon payment by the applicant of the license fee to the village. The full license fee shall be charged for the whole or fraction of any year.
- B. If the Village Board denies the license, the applicant shall be notified in writing, by registered mail or personal service, of the reasons for the denial. The notice shall also inform the applicant of the opportunity to appear before the Village Board and to provide evidence as to why the denial should be reversed. In addition, the notice shall inform the applicant that the reconsideration of the application shall be held in closed session, pursuant to Sec. 19.85(1)(b), Wis. Stats., unless the applicant requests such reconsideration be held in open session and the Village Board consents to the request. Such written notice shall be mailed or served upon the applicant at least 10 days prior to the Village Board meeting at which the application is to be reconsidered.

§ 134-11. Transfer and lapse of license.

- A. In accordance with the provisions of Sec. 125.04(12), Wis. Stats., a license shall be transferable from one premises to another if such transfer is first approved by the Village Board. An application for transfer shall be made on a form furnished by the Village Clerk-Treasurer. Proceedings for such transfer shall be had in the same form and manner as the original application. The fee for such transfer is \$10. Whenever a license is transferred, the Village Clerk-Treasurer shall forthwith notify the Wisconsin Department of Revenue of such transfer. In the event of the sale of a business or business premises of the licensee, the purchaser of such business or business premises must apply to the village for reissuance of said license and the village, as the licensing authority, shall in no way be bound to reissue said license to said subsequent purchaser.⁷
- B. Whenever the agent of a corporate holder of a license is for any reason replaced, the licensee shall give the Village Clerk-Treasurer written notice of said replacement, the reasons therefor and the new appointment. Until the next regular meeting or special

⁷ Editor's Note: Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. I).

However, said license shall cease to be in effect upon receipt by the Village Clerk-Treasurer of notice of disapproval of the successor agent by the Wisconsin Department of Revenue or other peace officer of the municipality in which the license was issued. The corporation's license shall not be in force after receipt of such notice or after a regular or special meeting of the Village Board until the successor agent or another qualified agent is appointed and approved by the village.

§ 134-12. Numbering of license.

All licenses shall be numbered in the order in which they are issued and shall state clearly the specific premises for which granted, the date of issuance, the fee paid and the name of the licensee. The Village Clerk-Treasurer shall affix to the license his or her affidavit as provided by Sec. 125.04(4) of the Wisconsin Statutes.

§ 134-13. Posting licenses; defacement.

- A. Every person licensed in accordance with the provisions of this chapter shall immediately post such license and keep the same posted while in force in a conspicuous place in the room or place where said beverages are drawn or removed for service or sale.

§ 134-16. Restrictions on temporary fermented malt beverage or wine licenses.

It shall be unlawful for any person or organization on a temporary basis to sell or offer to sell any alcohol beverage upon any village-owned property or privately owned property within the Village of Iola, except through the issuance of a temporary Class "B" fermented malt beverage license or temporary "Class B" wine license issued by the Village Board in accordance with Wisconsin Statutes and as set forth in this section. A temporary Class "B" fermented malt beverage license or temporary "Class B" wine license authorizing the sale and consumption of beer and/or wine on village-owned property or privately owned property may be authorized by the Village Board provided the following requirements are met:

- A. Compliance with eligibility standards. The organization shall meet the eligibility requirements of a bona fide club, association, lodge or society as set forth in Sec. 125.26(6), Wis. Stats., and shall fully comply with the requirements of this section. Members of an organization which is issued a temporary license and who are issued operator's licenses for the event may be required to attend a pre-event informational meeting to learn what rules and regulations apply and what the responsibilities of the bartenders and organization will be.⁸
- B. Posting of signs and licenses. All organizations issued a temporary license shall post in a conspicuous location at the main point of sale and at all remote points of sale a sufficient number of signs stating that no fermented malt beverage shall be served to any underage person without proper identification.
- C. Fencing.
- (1) If necessary due to the physical characteristics of the site, the Village Board may require that organizations install a double fence around the main point of sale to control ingress and egress and continually station a licensed operator, security guard or other competent person at the entrance for the purpose of checking age identification. Where possible, there shall be only one point of ingress and egress. When required, the double fence shall be a minimum of four feet high and a minimum of six feet between fences.
- (2) For indoor events, the structure used shall have suitable exits and open spaces to accommodate anticipated attendance. It should contain adequate sanitary facilities to accommodate the size of the group.
- D. Underage persons prohibited. No underage persons as defined by the Wisconsin Statutes shall be allowed to assist in the sale of fermented malt beverages or wine at any point of sale, nor shall they be allowed to loiter or linger in the area of any point of sale.
- E. Licensed operators requirement. A licensed operator shall be stationed at all points of sales at all times.
- F. Waiver. The Village Board may waive or modify the requirements of this section due to the physical characteristics of the licensed site.
- G. Insurance. The applicant for a temporary fermented malt beverage or wine license may be required to indemnify, defend and hold the village and its employees and agents harmless against all claims, death of any person or any damage to property caused by or resulting from the activities for which the permit is granted. As evidence of the applicant's ability to perform the conditions of the license, the applicant may be required to furnish a certificate of comprehensive general liability insurance with the Village of Iola. The applicant may be required to furnish a performance bond prior to being granted the license.
- H. Additional requirements. In addition, requesting organizations shall comply with the following:

⁸ Editor's Note: Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. I).

- (1) When the event sponsored by the requesting organization is to take place on village park property, the organization shall work closely with the village officials in locating, setting up and identifying the size of the snow fence area. Such information shall be made part of the temporary Class "B" permit application.
- (2) When the event sponsored by the requesting organization is to take place on village-owned property other than park property and/or privately owned property, the organization shall work closely with the Police Department in locating and setting up the snow fence area. The Chief of Police shall work closely with the requesting organization in identifying the size of the fenced-in area and the exact location. Such information shall be made part of the temporary Class "B" permit application. For indoor events, the structure used must have suitable exits and open spaces to accommodate anticipated attendance. It shall contain adequate sanitary facilities to accommodate the size of the group.

I. Cups or cans only. Intoxicants will be sold only in foam or plastic cups or cans.

§ 134-17. Beer garden licenses required for outdoor consumption at Class "B" premises.

- A. Required for outdoor consumption. No licensee shall permit the consumption of alcohol beverages on any part of the licensed premises not enclosed within the building, except under permit granted by the Village Board. The permits are a privilege in which no rights vest and, therefore, may be revoked by the Village Board at its pleasure at any time or shall otherwise expire on June 30 of each year. No person shall consume or have in his or her possession alcohol beverages on any unenclosed part of a licensed premises which is not described in a valid beer garden permit.
- B. Limitations on issuance of beer garden permits. No permit shall be issued for a beer garden if any part of the beer garden is within 100 feet of a structure used for residential purposes, except residential uses located in the same structure as the licensed premises. No permit shall be issued for a beer garden if the beer garden area is greater than 50% of the gross floor area of the adjoining licensed premises. Each applicant for a beer garden permit shall accurately describe the area intended for use as a beer garden and shall indicate the nature of fencing or other measures intended to provide control over the operation of the beer garden. Every beer garden shall be completely enclosed with a fence or wall not less than six feet in height. No amplified sound or music is permitted outside the enclosed (building) premises. Amplified sound or music is not permitted in the beer garden. There shall be a licensed operator with the beer garden at all times the beer garden is in operation.
- C. Adjoining property owners to be notified of pendency of applications. All property owners within 150 feet of the proposed beer garden shall be notified of the pendency of application for a beer garden permit by first class mail.
- D. State statutes enforced within beer garden. Every permittee under this section shall comply with and enforce all provisions of Ch. 125, Wis. Stats., applicable to Class "B" licensed premises, except insofar as such provisions are clearly inapplicable. Violation of the provisions of Ch. 125, Wis. Stats., shall be grounds for immediate revocation of the beer garden permit by the Village Board.

§ 134-18. Revocation and suspension of licenses; nonrenewal.

- A. Procedure. Whenever the holder of any license under this chapter violates any portion of this chapter or Title 9, Chapter 5, of this Code of Ordinances, proceedings for the revocation of such license may be instituted in the manner and under the procedure established by this section.
- B. Abandonment of premises. Any licensee holding a license to sell alcohol beverages who abandons such business shall forfeit any right or preference he or she may have to the holding of or renewal of such license. Abandonment shall be sufficient grounds for revocation of any alcohol beverage license. The losing of the licensed premises for at least six months shall be prima facie evidence of the abandonment, unless extended by the Village Board. All persons issued a license to sell alcohol beverages in the village for which a quota exists limiting the number of such licenses that may be issued by the village shall cause such business described in such license to be operated on the premises described in such license for at least 150 days during the terms of such license, unless such license is issued for a term of less than 180 days, in which event this subsection shall not apply.
- C. License revocation or suspension.
- (1) Notice and hearing. Whenever a person holding a license to sell alcoholic beverages has failed to maintain the premises according to standards prescribed for sanitation, or in whose premises persons are permitted to loiter for purposes of prostitution, or when the licensee has not observed and obeyed any lawful order of the Village Board or police officers of the village, has violated village ordinances, or for any other good reason, the Village Board shall issue a summons, to be signed by the Village Clerk-Treasurer commanding the licensee complained of to appear before the Law Enforcement Committee or a special committee designated by the Village Board on a day and time and at a place named in the summons to show cause why the license should not be revoked or suspended. Such summons shall be served not less than three and not more than 10 days before the time at which the licensee is commanded to appear and may be served personally upon the licensee or the agent of the licensee or upon the person in charge of the licensed premises. The complaint shall be served with the summons and shall set forth the offense allegedly committed, the date and place of said offense and the facts constituting the alleged offense. If such licensee shall not appear as required by the summons, the complaint shall be taken as true, and if the Committee deems its allegations sufficient, the Committee shall recommend revocation or suspension of the license as provided herein.
 - (2) Procedure on hearing: effect of revocation.
 - (a) The Law Enforcement Committee or a designated committee shall serve as a hearing agency for the Village Board.
 - (b) The Chairperson of the Committee, or the Chair's designee, shall conduct the hearing, administer oaths to all witnesses and may issue subpoenas. So far as practicable, the rules of evidence provided in Sec. 227.45, Wis. Stats., shall be followed. The complainant shall have the burden of proving the charges to a preponderance of the evidence. The licensee and the complainant may be

represented by counsel, may call and examine witnesses and cross-examine witnesses of the other party. All proceedings and testimony shall be recorded on tape and transcribed. If either party requests a stenographic recording and transcription, the village shall make the necessary arrangements, but the expenses shall be borne by the requesting party. The Village Clerk-Treasurer shall serve as secretary to the Committee and shall make and receive all exhibits admitted into the record.⁹

- (c) Within 10 days of the completion of the hearing and filing of briefs, if any, the Committee, upon the testimony and evidence presented at the hearing, shall determine by simple majority vote of those present whether the charges are true and, if so, submit a report to the Village Board including its findings of fact, conclusions of law and a recommendation as to what action, if any, the Village Board should take with respect to the license. If the recommendation is to suspend the license, it shall be for a period of not less than 10 days or more than 90 days. Following the procedure above, the recommendation may be to revoke the license. If the Committee determines that the charges are not substantiated, it shall recommend to the Village Board that the complaint be dismissed without cost to either party. The Committee's recommendation shall be promptly filed with the Village Clerk-Treasurer. The Clerk-Treasurer shall prepare five copies of the transcript of the proceedings, all exhibits and the recommendation of the Committee.
 - (d) At the regular meeting of the Village Board after the filing of the Committee's recommendation, the Village Board shall act on the recommendation and may reverse or modify any portion thereof by a simple majority vote. The recommendation of the Committee shall become the decision of the Village Board unless reversed or modified. No further testimony or evidence shall be allowed before the Village Board. Only those members of the Village Board who have certified to the Village Clerk-Treasurer in writing that they have read the transcript, exhibit and recommendation made shall be permitted to vote on the matter. The Village Clerk-Treasurer shall make the said certifications a part of the record. The decision of the Village Board shall be a final determination for purposes of judicial review.
 - (e) If the complaint is found to be true, the licensee shall pay to the village the actual cost of the proceedings. If the complaint is found by the Village Board to be malicious and without probable cause, the complainant shall pay the cost of the proceedings in the same amount.
 - (f) When a license is revoked, it shall be so entered of record by the Village Clerk-Treasurer, and no other license shall be granted to such licensee or for such premises for a period of 12 months from the date of the revocation, nor shall any part of the money paid as application fee for any license so revoked be refunded.
- D. Nonrenewal of license. The Village Attorney may, after investigation, commence an action before the Law Enforcement Committee to hear evidence and make a recommendation to

⁹ Editor's Note: Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. I).

the Village Board that a license issued pursuant to this chapter not be renewed. The Chairperson of the Committee shall, in writing, notify the licensee of the consideration of nonrenewal. Such notification shall be in the form of and shall serve as the summons and complaint and shall include a statement of the reasons for the consideration of the nonrenewal of the license in the same specificity required for a summons and complaint for revocation or suspension. If the license is recommended for nonrenewal, costs may be assessed against the licensee and any renewal application fee shall be forfeited. In all other respects, the provisions of Subsection C above shall apply. The commencement of this action shall stay action by the Village Board on the licensee's application until the Committee makes its recommendation.

E. Other provisions. Any license issued pursuant to this chapter shall be subject to such further regulations and restrictions as may be imposed by the Village Board by amendment to this section or by the enactment of new ordinances. If any licenses shall fail or neglect to meet the requirements imposed by such new restrictions and regulations his or her license may be revoked in accordance with this section. In case of revocation of any license or any violation of any provision of this chapter in accordance with this section or by the court or for any reasonable cause except the imposition of new restrictions, no refund shall be made of any part of the license fee.

F. Point values for alcohol beverages violation, revocations and suspensions.

(1) Purpose and definitions. The purpose of this subsection is to administratively interpret those portions of this chapter and Chapters 113 and 171 of this Code of Ordinances relating to establishing an alcohol beverage demerit point system to assist in determining which license-holders should be subject to suspension or revocation procedures.

(2) Point schedule. The scale of demerit points is listed, according to the type of alcohol beverage violation. This demerit point system is used to identify habitually troublesome license-holders who have repeatedly violated state statutes and village ordinances for the purpose of recommending suspension or revocation of their alcohol beverage licenses.

2. Sale of alcohol beverages to underaged person	50

Each such nonalcohol event notice shall specify the date(s) on which the event is to occur and the time(s) of commencement. Such notice cards shall be made available by the village to a requesting licensee.
- C. Once a nonalcohol event has commenced, no alcohol beverages may be consumed, sold or given away on or carried into the licensed premises until the next day following the closing hours of the licensed premises.
- D. During the period of any nonalcohol event all alcohol beverages shall be stored in a locked portion of the licensed premises in a secure place out of the sight and physical reach of any patron present and shall be under the direct and immediate control and supervision of the licensee or a licensed bartender in the employ of the licensee. All beer taps and automatic dispensers of alcohol beverages ("speed guns") shall be either disconnected, disabled or made inoperable.

§ 134-20. Outdoor sports activities regulated.

- A. Purpose. The Village Board finds that restrictions are necessary for outdoor sports activities at premises holding "Class B" and Class "B" liquor and fermented malt beverages licenses due to concerns arising from noise, density and related problems. This section enacted pursuant to police power provides a framework for regulatory controls on such outdoor sports activities.
- B. Approval required. No licensee shall conduct or sponsor any outdoor sports activity or event on property forming any part of the real property on which the licensed premises exist without the prior approval of the Village Board.
- C. Application. If a licensee shall conduct or sponsor any outdoor sports activity or event on the licensee's property, the licensee shall file an application with the Clerk-Treasurer setting forth the following information:

a licensee's showing of exigent circumstances. The application shall be accompanied by payment of a fee of \$100 for review of the application.¹⁰

- E. Review. The Village Board shall review the applications in light of the standards of this section. If the nature of the property or the event requires the imposition of additional regulations, the Village Board may impose these regulations upon an express finding detailing the reasons for additional regulation.
- F. Standards. The following standards shall apply to any outdoor sports activity regulated under this section:
- (1) Approval of an application shall not act to permit outdoor consumption of alcohol beverages on the property beyond the area specifically licensed.

 - (3) The Village Board shall not grant approval to any applicant whose property on which the activity or event is proposed is adjacent to any property zoned residential or on which a residential use exists as a nonconforming use, or within 70 feet of any property zoned residential or on which a residential use exists as a nonconforming use. Fencing may be required.
 - (4) The applicant shall provide parking adequate for the proposed activity or event, whether on-site or through agreements with property owners shown to the Village Board's satisfaction to permit their property to be used for parking for the proposed activity or event.
 - (5) The applicant shall show the Village Board plans adequate to provide reasonable access to participants and spectators for the event, and to limit access for all other persons.
- G. Maintenance standards. The licensee shall clean up all garbage and debris relating to the activity or event at least once per 24 hours during the activity or event.
- H. Noise. The licensee shall not permit the noise level of the activity or event to exceed 75 dB, measured at any border of the licensee's real property.

ARTICLE II
Operator's License

§ 134-21. Operator's license required.

- A. Operator's licenses; Class "A," Class "B" or "Class C" premises. Except as provided under Sec. 125.32(3)(b) and Sec. 125.07(3)(a)10, Wis. Stats., no premises operated under a Class "A," Class "B," or "Class C" license or permit may be open for business unless there is upon the premises the licensee or permittee, the agent named in the license or permit if the licensee or permittee is a corporation, or some person who has an operator's license and who is responsible for the acts of all persons serving any fermented malt beverages to customers. An operator's license issued in respect to a vessel under Sec. 125.27(2), Wis. Stats., is valid outside the municipality that issues it. For the purpose of this section, any person holding a manager's license under Sec. 125.18, Wis. Stats., or any member of the licensee's or permittee's immediate family who has attained the age of 18, shall be considered the holder of an operator's license. No person, including a member of the licensee's or permittee's immediate family, other than the licensee, permittee or agent, may serve fermented malt beverages in any place operated under a Class "A," Class "B," or "Class C" license or permit unless he or she has an operator's license or is at least 18 years of age and is under the immediate supervision of the licensee, permittee, agent or a person holding an operator's license, who is on the premises at the time of the service.
- B. Use by another prohibited.
- (1) No person may allow another to use his or her Class "A" or Class "B" license or permit to sell alcohol beverages.
 - (2) The license or permit of a person who violates Subsection B(1) above shall be revoked.

§ 134-22. Procedure upon application.

- A. The Village Board may issue an operator's license, which license shall be granted only upon application in writing on forms to be obtained from the Village Clerk-Treasurer only to persons 18 years of age or older. Operator's licenses shall be operative only within the limits of the village.
- B. All applications are subject to an investigation by the Police Department and/or other appropriate authority to determine whether the applicant and/or premises to be licensed complies with all regulations, ordinances and laws applicable thereto. The investigating authority shall conduct an investigation of the applicant including, but not limited to, requesting information from the state, surrounding municipalities, and/or any community where the applicant has previously resided concerning the applicant's arrest and conviction record. Based upon such investigation, the investigating authority shall recommend, in writing, to the Village Board approval or denial of the application. If the investigating authority recommends denial, the investigating authority shall provide, in writing, the reasons for such recommendation.

§ 134-23. Duration.

Licenses issued under the provisions of this chapter shall be valid for a period of one year and shall expire on the 30th day of June.

§ 134-24. Operator's license fee; provisional or temporary licenses.

- A. Fee. The fee for an operator's license shall be \$10 for the term or part thereof. The fee for a provisional license shall be \$10 per license issued. There shall be no fee for a temporary operator's license.
- B. Provisional license. The Village Clerk-Treasurer may issue provisional operator's licenses in accordance with Sec. 125.17(5), Wis. Stats. The provisional operator's license shall expire 60 days after its issuance or when an operator's license is issued to the holder, whichever is sooner. The Chief of Police shall submit to the Clerk-Treasurer a report regarding the applicant's conviction history, if any. The applicant for such provisional license must present evidence to the Clerk-Treasurer establishing that the applicant is enrolled in an Alcohol Awareness Training Program established pursuant to Sec. 125.17(6)(a), Wis. Stats. The Village Clerk-Treasurer may, upon receiving an application for a temporary provisional license, issue such a license without requiring the successful completion of the approved program as described herein. However, such temporary license shall be used only for the purpose of allowing such applicant the privilege of being licensed as a beverage operator pending his or her successful completion of the approved program, and the applicant shall also apply for a regular operator's license. A provisional license may not be issued to any person who has been denied an operator's license by the Village Board, who has had his or her operator's license revoked or suspended within the preceding 12 months, or who previously held an operator's license and who failed to complete the Alcohol Awareness Training Program without first successfully completing the program. The Village Clerk-Treasurer shall provide an appropriate application form to be completed in full by the applicant. The Village Clerk-Treasurer may revoke the provisional license issued if he or she discovers that the holder of the license made a false statement on the application. A provisional license shall not be renewed.¹¹
- C. Temporary license. The Clerk-Treasurer may issue a temporary operator's license provided that:
- (1) This license may be issued only to operators employed by, or donating their services to, nonprofit corporations.
 - (2) No person may hold more than one license of this kind per year.
 - (3) The license is valid for any period from one day to 14 days, and the period for which it is valid shall be stated on the license.

¹¹ Editor's Note: Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. I).

§ 134-25. Issuance or denial of operator's licenses.

- A. After the Village Board approves the granting of an operator's license, the Village Clerk-Treasurer shall issue the license. Such licenses shall be issued and numbered in the order they are granted and shall give the applicant's name and address and the date of the expiration of such license.
- B. Denial of application.
- (1) If the application is denied by the Village Board, the Village Clerk-Treasurer shall, in writing, inform the applicant of the denial, the reasons therefor, and of the opportunity to request a reconsideration of the application by the Village Board in a closed session. Such notice must be sent by registered mail to, or served upon, the applicant at least 10 days prior to the Board's reconsideration of the matter. At such reconsideration hearing, the applicant may present evidence and testimony as to why the license should be granted.
 - (2) If, upon reconsideration, the Board again denies the application, the Village Clerk-Treasurer shall notify the applicant in writing of the reasons therefore. An applicant who is denied any license upon reconsideration of the matter, may apply to Circuit Court pursuant to Sec. 125.12(2)(d), Wis. Stats., for review.
- C. Criteria.
- (1) Consideration for the granting or denial of a license will be based on:
 - (a) Arrest and conviction record of the applicant, subject to the limitations imposed by Secs. 111.321, 111.322, and 111.335, Wis. Stats.;
 - (b) The financial responsibility of the applicant;
 - (c) The appropriateness of the location and the premises where the licensed business is to be conducted; and
 - (d) Generally, the applicant's fitness for the trust to be reposed.
 - (2) If a licensee is convicted of an offense substantially related to the licensed activity, the Village Board may act to revoke or suspend the license.
- D. An application may be denied based upon the applicant's arrest and conviction record if the applicant has been convicted of a felony (unless duly pardoned) or if the applicant has habitually been a law offender. For purposes of this licensing procedure, "habitually been a law offender" is generally considered to be an arrest or conviction of at least two offenses which are substantially related to the licensed activity within the five years immediately preceding the license application. Because a license is a privilege, the issuance of which is a right granted solely to the Village Board, the Village Board reserves the right to consider the severity, and facts and circumstances of the offense when making the determination to grant, deny or not renew a license. Further, the Village Board, at its discretion, may, based upon an arrest or conviction record of two or more offenses which are substantially related to the licensed activity within the five years immediately preceding, act to suspend such license for a period of one year or more.

§ 134-26. Training course.

- A. Except as provided in Subsection B below, the Village Board may not issue an operator's license unless the applicant has successfully completed a responsible beverage server training course at any location that is offered by a vocational, technical and adult education district and that conforms to curriculum guidelines specified by the board of vocational, technical and adult education or a comparable training course that is approved by the educational approval board or unless the applicant fulfills one of the following requirements:
- (1) The person is renewing an operator's license.
 - (2) Within the past two years, the person held a Class "A," Class "B," "Class A," "Class B," or "Class C" license or permit or a manager's or operator's license.
 - (3) Within the past two years, the person has completed such a training course.
- B. The Village Board may issue a provisional operator's license to a person who is enrolled in a training course under Subsection A above and shall revoke that license if the applicant fails successfully to complete the course in which he or she enrolls.
- C. The Village Board may not require that applicants for operators' licenses undergo training in addition to that under Subsection A, but may require applicants to purchase, at cost, materials that deal with relevant local subjects not covered in the course under Subsection A.

§ 134-27. Display of license.

Each license issued under the provisions of this chapter shall be posted on the premises whenever the operator dispenses beverages or be in his or her possession, or carry a license card.

§ 134-28. Revocation of operator's license.

Violation of any of the terms or provisions of the state law or of this chapter relating to operator's licenses by any person holding such operator's license shall be cause for revocation of the license.

ARTICLE III
Penalties

§ 134-29. Violations and penalties.

- A. Forfeitures for violations of Secs. 125.07(1) through (5) and 125.09(2) of the Wisconsin Statutes, adopted by reference in § 134-1 of this chapter of the Code of Ordinances of the Village of Iola, shall conform to the forfeiture penalty permitted to be imposed for violations of the comparable state statute, including any variations or increases for subsequent offenses.

- B. Any person who shall violate any provision of this chapter of the Code of Ordinances of the Village of Iola, except as otherwise provided in Subsection A herein or who shall conduct any activity or make any sale for which a license is required without a license, shall be subject to a forfeiture as provided in the general penalty section of this Code of the Village of Iola.
- C. Nothing herein shall preclude or affect the power of the sentencing court to exercise additional authorities granted by the Wisconsin Statutes.
