Plans Set for Legion July 4th Celebration

The entire program for the American Legion Fourth of July Celebration to be held at the Scandinavia Fair Grounds has been set, and the public is assured of a full day of entertainment and fun. This was announced today by W. E. Ayers, one of the co-chairman of the Legion Celebration Committee.

Every effort is being made to secure the national American Legion Chaplain as a speaker, though his presence depends upon whether previous commitments have been made for him by National Headquarters.

The program includes speaker, baseball, concessions, the giving away of the new Ford and in the evening a full program of fireworks, including skyrockets, bombs, fountains and beautiful set pieces.

At night there will be a dance in the Scandinavia Hall to the music of Jimmy Shultz and his Musicmakers. Food and drink galore and favors for the kiddy's. The committee has also contracted for a concession of ponies for the children.

The keynote of the entire celebration is one of a get together for friends and families of the communities and every effort is being made to provide clean, wholesome fun and entertainment.

Members of the committee include W. E. Ayers, Earl Hoover, Gordon Trinrud, William Olson, DeLyle O. Omholt, Arnold Nelson, Claude Dineen, Carl Swenson and Edwin E. Weinman
