Fourth of July Celebration is a Big Success

One of the largest crowds ever to appear at the Scandinavia Fair Grounds was on hand for the July 4th celebration sponsored by the Iola American legion Post which is made up of members from Iola, Scandinavia and Ogdensburg.

Two good ball games and an air show were put on for the amusement of the crowd, with airplane rides and eats for everyone. There were ponies to ride and novelties for the kids.

Rev. Arthur L. Rustad of Faribault, Minnesota, National Chaplain of The American Legion, gave a speech interesting to Legionnaires and others alike.

The days program ended in the evening with a good fireworks display followed by the drawing for the Ford car. G. Lud Gunderson of this place held the lucky ticket.

After the affair was about over at the grounds those who liked to dance were accommodated at the Scandinavia Community Hall.
