Happy Summer everyone!! We are not sure where the time went but another summer is upon us. As everyone is out and about, please keep in mind that everyone needs to do their part to keep our Village looking beautiful. Taking a day to rake leaves, trim bushes, spruce up our yards, or remove items that are no longer needed is a great way to show community pride! A little effort from all of us can make a big difference to the overall charm of our amazing little village. Also, please remember to keep your yards mowed to a length under eight inches. As always, if you have any questions, please contact us at the clerk's office, we are more than happy to help. Thanks, and enjoy!!
