Dear Municipal Partner,

We have recently been informed that the Marathon, Shawano and Portage County landfills will be assessing a 9-10% increase on all disposal fees for 2025.

Unfortunately, this additional increase directly affects our cost of disposal of your municipal refuse. Since this is something that is out of our control, we wanted to reach out to inform you of this increase effective 1/1/2025. Per your contract, outlined in the "Consideration" section, we will be assessing the identified CPI increase per your contract, plus an additional 2% as allowed in the "Permitted Rate Charge" sections to partially offset the increase in disposal costs for 2025.

We appreciate your understanding of this higher than usual rate increase. Hopefully we will not experience ongoing rate increases at this level.

Thank you for your consideration.

Sincerely,

Harter's Fox Valley Disposal
