## IGOR STRAVINSKY THE COMPLETE WORKS FOR VIOLIN & PIANO

Commemorating the 50th Anniversary  
of the Composer's Death

*Performed by Victoria Martino, violin, and James Lent, piano*

Join violinist Victoria Martino and pianist James Lent for a dazzling performance of Igor Stravinsky's complete works for violin and piano. This concert will replicate a recital program which the composer himself performed on tour with the violinist Samuel Dushkin. Featuring the virtuoso Duo Concertant, composed especially for Dushkin, and universally regarded as one of Stravinsky's masterpieces, the concert will also include delightful "miniatures" and a number of suites that the composer arranged from his ballets. The performance will culminate in Stravinsky's own violin/piano transcription of his magnificent Violin Concerto.

Magna cum laude graduate of Harvard University and the University of California, violinist **Victoria Martino** has concertized extensively throughout Europe, North America, Australia, and Japan. Considered a specialist both in early music and contemporary performance practice, her repertoire spans six centuries. Martino is passionately committed to the revival of works by major composers that are rarely performed and has become known internationally for her anniversary concerts and "marathons" of the complete works for violin (unaccompanied and accompanied) by composers.

**James Lent** holds a DMA from Yale School of Music, where he studied under Boris Berman, Claude Frank, and Peter Frankl. He currently teaches and coordinates collaborative piano at UCLA and serves as the Music Department's principal pianist for choral and vocal studies.
