### Assistant District Administrator, Geoff Shiu:

- Thank you for a great 2018
- **Affidavits** were much cleaner than in previous years, there were a few bumps. I suggest each league have a dedicated person (need not be a voting member of the board of directors) to organize the binders for All Stars
- **Post Season Umpires** – only one game (TOC) where umpires did not show. The league president got volunteers to cover the game. Game went smoothly.
- **Volunteers** –

  - B. Encourage parents to volunteer and recognize them, thank them throughout the season.
- **Managers and coaches** -The president's biggest job is appointing the manager and coaches. Only the president can make the appointments. The Board of Directors approves or denies the appointments. There is no automatic return for the new season for managers and coaches from the previous season. Appointments expire December 31<sup>st</sup>.

**North/South Oakland Little League will be hosting a Big AI Clinic.** Leagues are welcome to send their manager s and coaches. NOLL/SOLL requires their first year managers and coaches to attend the clinic.

- **Data Center** –

  - B. Charter – complete the 2019 application before the end of December
  - C. Insurance – expires December 31<sup>st</sup>, make sure to enter all volunteers into the Data Center so they are covered by Little League insurance.

- **Audit** – have your league's books reviewed, it does not have to be done by an outside source.
- **Budget** – Post on your website, Post at Registration. Show your parents where the money goes.
- **District Meetings** – bring a board member with you to each of the meetings. Let them see how D4 operates.
