2021 AA League Softball Rules

*A Softball Division for 7- 9 year old girls**

Rosters: Official rosters of each team will be filed with the Little League Softball Assistant District Administrator before the first game. Rosters may be of any size. Roster changes will be submitted to the Little League Softball Assistant District Administrator within three calendar days.

Number of Players: Teams may begin and continue games with only eight players. The ninth spot in the batting order will be skipped over and no out recorded.

Home Team: The team listed second on the scheduled playing date is the home team and shall have the playing field for ten minutes at twenty minutes before game time for their warm ups.

Visiting Team: The team listed first on the scheduled playing date is the visiting team and shall have the playing field for ten minutes at ten minutes before game time for their warm ups.

Playing Field: Prior to the start of the AA League Softball season, each participating league will prepare ground rules that are unique to their fields. A copy of these ground rules will be supplied to the Little League Softball Assistant District Administrator. These ground rules shall be covered at the pregame conference with the umpires. Each league is responsible for the preparation of the fields.

Softball: Softballs will be 11", white or optic yellow, leather or synthetic leather and normal flight.

Umpires: The home team shall provide a minimum of two umpires, preferably 16-years or older. Whether adult or youth, non-vaccinated plate umpires will be stationed behind the pitcher. Vaccinated plate umpires may be positioned behind the catcher or pitcher, depending on their preference or the host league's Covid protocols.

Rule 9.00 (d) will not be in force. (stealing signs and automatic ejection).

Starting Time: Weekday games will start at 6:00PM. (Unless, prior arrangements have been made.) Weekend games will start at the scheduled time. Every effort should be made to reschedule games not played due to weather.

Ending the Game: No NEW inning shall start after 1 hour and 45 minutes, including Saturdays. A new inning starts when the third out of the previous inning has been made. Once an inning starts, it shall be completed unless halted by an umpire or if the home team is ahead at the conclusion of the visiting teams at bat or when the home team scores the winning run in their half of the inning. All games called for the time limit will be regarded as regulation, no matter the number of innings played, and even if they end in a tie score time-limit games will not be resumed at a later date. The home team prior to the start of the game may impose a time limit. If a team is down by 15 runs after 3 innings or 10 or more runs after 4, the game will be halted.

Half Inning: A half inning shall end when the defensive team has recorded three outs or when the offensive team has scored 5 runs.

Regulation Game: A regulation game shall consist of two innings, unless ended by time limit. All games ended due to time limits are regulation games, no matter how many innings played.

Darkness: Calling the game due to darkness is the sole judgment of the umpires and not any local league rule.

District Tournament of Champions: No TOC will be played in AA.

Outfielders: All outfielders shall remain in the outfield until the ball is hit. Only 9 players may be used on defense.

Batting: All members of the offensive team will make up the batting order. Late arrivals, at the discretion of the manager, may be added to the bottom of the batting order.

Bunting: No bunting first half of the season.

Runners: No stealing of bases is allowed.

Courtesy Runner: The new courtesy runner rule will NOT be used.

Pitching: Adult pitchers will be used in the first half ONLY. The adult will pitch from a distance of no less than 30' nor farther than 35'. The defensive pitcher will be no closer than 35'. Second half of the season the pitcher shall be a player. The pitcher will be allowed to pitch until the batter A) hits the ball into fair territory, B) strikes the batter out, C) throws four balls to any batter. After 4 balls to a hitter, the adult pitcher (from the offensive team) shall pitch, with the existing count on the batter, until the batter either hits the ball into fair territory or strikes out. There are no walks. If the bases are loaded when a pitcher hits a batter, the adult pitcher (from the offensive team – either the 1st or 3rd base coach) shall pitch, with the existing strike count on the batter, so as not to walk in a run.

It is recommended that if a pitcher hits 3 batters in one inning or 5 batters in a game, the pitcher will be replaced for the remainder of the game. Batters must make an honest effort to avoid the pitches. An “honest” effort is at the discretion of the umpire.

In the 2nd half of the season, only a player will be allowed to pitch. Pitchers are limited to 3 innings per game, 21 per week.

Protest: There are no protests in AA Softball. The decision of the umpires will be final.

Any rule not specifically mentioned here is covered by the rules of Little League Softball 2021.
