Tournament Umpires Needs

Soon the tournament season will be here! Leagues should be working to identify and prepare their umpires who they plan to use in the postseason. Each league that participates in All Stars, Tournament of Champions, or Future Stars will be expected to provide their fair share of umpires based upon their share of total number of teams in each tournament. Leagues will be expected to provide umpires for softball as well if they have teams in those divisions. Many leagues rely upon paid umpires from outside sources, or upon youth umpires during the regular season. These leagues will still be expected to provide enough qualified umpires for their share of the tournament games.

A list of games in TOC and All Stars assigned to leagues to provide umpires will be sent to League Chief Umpires before May 1. Leagues should begin to identify their tournament umpires now,

and provide those nominations to the District Chief Umpire by May 15.

Qualifications for Tournament Umpires

Tournament umpires should meet a minimum set of qualifications to be assigned to games:

1. Adult or youth umpires are encouraged; however, each game must have at least one adult umpire assigned.
2. Umpires must be active regular season umpires for their home league, and have completed the Volunteer Application, had a background check performed, and have been approved by the league Board.
3. Umpires must have completed this season the Heads-Up Concussion Awareness training, the Sudden Cardiac Awareness training, the Safe Sports certification, and participated in league specific or District 4 umpire training.
4. Umpires must be properly uniformed for the games, including umpire shirt, District 4 cap, and umpire pants.
5. Umpires must agree to not receive any compensation for games in the postseason tournaments.

Reminders for the 50/70 and Juniors season:

- We have had a few reports of umpire no-shows at teenage baseball games. So in addition to confirming games with the opposing manager 1-2 days ahead of time, suggest the home team confirms the umpires as well.
- Any game reschedules are conducted directly between the two teams involved. District will not coordinate, but please provide me the new date/ time/ location.
- Ensure your teenage baseball fields have break-away bases. We typically see this issue when teenage baseball teams are playing at high schools.
- The [D4 Baseball Page](#) has links to schedules, contacts, and interleague rules
