Tournament Umpire Assignments to Leagues Now Available for Scheduling Umpires

The entire post-season tournament umpire assignments have been completed and are now available for leagues to assign their umpires. We have some 270 games in the All Stars, Tournament of Champions, and the Future Stars Tournament in a short period of 3 weeks. Games have been assigned to every league in the District based upon your share of the total number of teams in each tournament, level of play and location of the games.

Umpires should be assigned to the games using the District 4 Umpire Scheduling System which is found at <http://c4ua.llblues.org/login.php>. Each League Chief Umpire has been set up in the scheduling system so that they can put names on the games that are assigned to their league.

The first tournament is the Tournament of Champions which begins on June 14th. Leagues should be assigning for those games now so that we will have a full complement of umpires by June 1! Don't delay as your umpires may make other plans and not be available when we need them.

Qualifications for Tournament Umpires

Tournament umpires should meet a minimum set of qualifications to be assigned to games:

1. Adult or youth umpires are encouraged; however, each game must have at least

- one adult umpire assigned.
2. Umpires must be active regular season umpires for their home league, and have completed the Volunteer Application, had a background check performed, and have been approved by the league Board.
3. Umpires must have completed this season the Heads-Up Concussion Awareness training, the Sudden Cardiac Awareness training, the Safe Sports certification, and participated in league specific or District 4 umpire training.
4. Umpires must be properly uniformed for the games, including umpire shirt, District 4 cap, and umpire pants.
5. Adult Umpires must agree to not receive any compensation for games in the postseason tournaments.

Volunteers are Needed to Support the Umpires for the Senior League Baseball West Region Tournament

In July we will be hosting 12 umpires who have been selected to work the games in the Senior Baseball West Region Tournament. To make the tournament a great experience for these great volunteer umpires, we have a need to fill several positions that will support them while they are with us in Oakland. Here is a list of the positions and their duties:

1. Umpire Travel Coordinator - ensure that umpires have transportation from the airport when they arrive, back to arrive for departure, and to and from games from their local hotel. This will start on July 18 and may not end until July 28.
2. Laundry - arrange to do umpire uniform laundry as needed. Pickup and deliver to the hotel.

3. Meals Coordinator - work with Tournament Committee on arranging meals for umpires. We expect that umpires will have breakfast at their hotel but meals around game times at the stadium will need to be coordinated.
4. Social Event Coordinator/Hospitality – Arrange an informal social event the evening before the start of games and include spouses etc. We also want to have a celebration breakfast near the end of the tournament on a day when games start later. Finally, this role would work to arrange some overall hospitality at the hotel with snacks, drinks, etc. and at the stadium for umpires. *Already recruited!*
5. Umpire Awards - coordinate the arrangements for gifts and recognition for the umpires and their guest. Awards for umpires such as plaque, photo, pins will be paid for by the tournament but needs to be coordinated with our supplier Wilson Trophy Co.
6. Umpire Photographer - *Already recruited!*

Anyone interested in being part of this support group have them contact Don Waddell.

From ADA Challengers, Stephen Mohammed

Jim Gann from Nevada District 1 has invited us to attend their closing ceremony. The tentative dates are June 4th, June 11th and June 18th. Information has been sent to the VP'S whose teams are participating this year. He's offered to cover travel expenses up to \$200.00 per family with receipt. Jim was a big help with our Challenger program before he moved and has brought his teams to our Jamboree prior to Covid.
