California District 4 Little League

California District 4 conducts tournaments under the guidelines provided by Little League Baseball & Softball.

The **Manager** is the most important volunteer member of a team. The Little League manager must be a leader and recognize they hold a position of trust, responsibility and as role models will have an ever lasting impression on their players. It is the manager more than any other individual who controls the situation in which the players may benefit. The program of Little League can only be as good as the quality of leadership in the managing and coaching personnel.

The **Tournament of Champions** is sponsored under Regulation IX, Special Games, provision of Little League Baseball's Rules and Regulations. This tournament is administered exclusively by Ted Boet (California 4 District Administrator). Game schedules and playing locations are determined and approved locally. This Tournament is an extension of the regular season and is played using regular season rules.

The **International (All-Star) Tournament** is administered by the International Tournament Director at Little League Baseball, Inc., Williamsport, PA. The International Tournament Committee issues "Tournament Rules and Guidelines" indicating exceptions to the regular playing rules. Regular playing rules and regulations apply except when modified by these "Tournament Rules." Game schedules are double elimination and are created and issued by California District 4. After the "Game Schedules" are finalized and approved by Little League Western Region Headquarters they will be followed unless weather or other circumstances require reverting to single elimination.

This pamphlet is prepared to assist managers and coaches in understanding how tournaments are conducted. It is the responsibility of the manager (or acting manager) to know and understand both regular season and tournament rules.

If you have any concerns regarding the information contained in this pamphlet, please contact District 4 Administrator Ted Boet or Teen Age Baseball ADA Grayson Lawrence.
