District 4 Parent Code of Conduct - Team

California District 4 Code of Conduct

California District 4 has implemented the following Sport Parent Code of Conduct for the important message it holds about the proper role of parents in supporting their child in sports. Parents should read, understand, and sign this form prior to post season play.

Any parent guilty of improper conduct at any game or practice will be asked to leave the sports facility and be suspended from the following game. Repeat violations may cause a multiple game suspension, or the season forfeiture of the privilege of attending all games.

Preamble

The essential elements of character-building and ethics in sports are embodied in the concept of sportsmanship and six core principles:

- Trustworthiness,
- Respect,
- Responsibility,
- Fairness,
- Caring, and
- Good Citizenship.

The highest potential of sports is achieved when competition reflects these "six pillars of character."

I therefore agree:

1. I will not force my child to participate in sports.
2. I will remember that children participate to have fun and that the game is for youth, not adults.
3. I will inform the coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
4. I will learn the rules of the game and the policies of the league.
5. I (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every game, practice, or other sporting event.
6. I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as booing and taunting; refusing to shake hands; or using profane language or gestures.

7. I will not encourage any behaviors or practices that would endanger the health and wellbeing of the athletes.

8. I will teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.

9. I will demand that my child treat other players, coaches, officials, and spectators with respect regardless of race, creed, color, sex, or ability.

10. I will teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his/her performance.

11. I will praise my child for competing fairly and trying hard, and make my child feel like a winner every time.

12. I will never ridicule or yell at my child or other participants for making a mistake or losing a competition.

13. I will emphasize skill development and practices and how they benefit my child over winning. I will also de-emphasize games and competition in the lower age groups.

14. I will promote the emotional and physical wellbeing of the athletes ahead of any personal desire I may have for my child to win.

15. I will respect the officials and their authority during games and will never question, discuss, or confront coaches at the game field, and will take time to speak with coaches at an agreed upon time and place.

16. I will demand a sports environment for my child that is free from drugs, tobacco, and alcohol and I will refrain from their use at all sports events.

17. I will refrain from coaching my child or other players during games and practices unless I am one of the official coaches of the team.

District 4 Parent Code of Conduct - Team

California District 4 Code of Conduct

California District 4 has implemented the following Sport Parent Code of Conduct for the important message it holds about the proper role of parents in supporting their child in sports. Parents should read, understand, and sign this form prior to post season play.

Any parent guilty of improper conduct at any game or practice will be asked to leave the sports facility and be suspended from the following game. Repeat violations may cause a multiple game suspension, or the season forfeiture of the privilege of attending all games.

Preamble

The essential elements of character-building and ethics in sports are embodied in the concept of sportsmanship and six core principles:

- Trustworthiness,
- Respect,
- Responsibility,
- Fairness,
- Caring, and
- Good Citizenship.

The highest potential of sports is achieved when competition reflects these "six pillars of character."

I therefore agree:

1. I will not force my child to participate in sports.
2. I will remember that children participate to have fun and that the game is for youth, not adults.
3. I will inform the coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
4. I will learn the rules of the game and the policies of the league.
5. I (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every game, practice, or other sporting event.
6. I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as booing and taunting; refusing to shake hands; or using profane language or gestures.

7. I will not encourage any behaviors or practices that would endanger the health and wellbeing of the athletes.

8. I will teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.

9. I will demand that my child treat other players, coaches, officials, and spectators with respect regardless of race, creed, color, sex, or ability.

10. I will teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his/her performance.

11. I will praise my child for competing fairly and trying hard, and make my child feel like a winner every time.

12. I will never ridicule or yell at my child or other participants for making a mistake or losing a competition.

13. I will emphasize skill development and practices and how they benefit my child over winning. I will also de-emphasize games and competition in the lower age groups.

14. I will promote the emotional and physical wellbeing of the athletes ahead of any personal desire I may have for my child to win.

15. I will respect the officials and their authority during games and will never question, discuss, or confront coaches at the game field, and will take time to speak with coaches at an agreed upon time and place.

16. I will demand a sports environment for my child that is free from drugs, tobacco, and alcohol and I will refrain from their use at all sports events.

17. I will refrain from coaching my child or other players during games and practices unless I am one of the official coaches of the team.

Residency or School Attendance/Enrollment

Age and Residency Requirement

RESIDENCY AND SCHOOL ATTENDANCE ELIGIBILITY REQUIREMENTS

Each local Little League determines the actual geographic boundaries of the area from within which it shall select players. These boundaries must be described in detail and shown on a map and dated when making application for a Little League charter. Players will be eligible to play with that league only if they reside or the physical location of the school where they attend classes is within the boundaries provided to and approved by Little League Baseball, Incorporated. **NOTE:** Players who established "residence" or "school attendance" for regular season and/or tournament in a prior season using the Tournament Player Verification form, and can produce the form with proper proofs and signatures, will **NOT** need to complete a new Tournament Player Verification form.

I. A PLAYER WILL BE DEEMED TO RESIDE WITHIN THE LEAGUE BOUNDARIES IF:

- A. His/her parents are living together and are residing within such league boundaries, OR;
- B. Either of the player's parents (or his/her court-appointed legal guardian) reside within such boundaries. It is unacceptable if a parent moves into a league's boundaries for the purpose of qualifying for tournament play. As detailed later in these rules, the penalty for violation of this rule may, in Little League Baseball, Incorporated's discretion, result in the disqualification of a player, team or entire league from regular season and/or tournament play. "Residence," "reside," and "residing" refers to a place of bona fide continuous habitation. A place of residence once established shall not be considered changed unless the parent, parent, or guardian makes a bona fide change of residence.

Residence shall be established and supported by documents containing the full residence which includes parent(s) or guardian(s) name, street address, city, state, and zip code information, dated or in force between February 1, 2021 (previous year) and February 1, 2022 (current year), from one or more documents from each of the three Groups outlined below.

NOTE: Example – Three documents from the same Group (utility bill, cable bill, and bank statement) constitute only ONE document.

GROUP ONE	GROUP TWO	GROUP THREE
1. Driver's License	1. Welfare/child care records	1. Voter's Registration
2. School records	2. Federal records (i.e. Federal Tax, Social Security, etc.)	2. Utility bills (i.e. gas, electric, water/ sewer, phone, mobile phone, heating, waste disposal)
3. Vehicle records (i.e. registration, lease, etc.)	3. State records	3. Financial records (i.e. loan, credit, investments, etc.)
4. Employment records	4. Local (municipal) records	4. Medical records
5. Insurance documents	5. Support payment records	5. Internet, cable, or satellite records
	6. Homeowner or tenant records	
	7. Military records	

Any documents submitted as proof of residence must demonstrate bona fide continuous habitation as determined by Little League Baseball, Incorporated in its sole discretion.

II. A PLAYER WILL BE DEEMED TO ATTEND SCHOOL IN THE BOUNDARIES IF:

- A. The physical location of the school where he/she attends classes is within the boundaries established by the local league. **NOTE:** This excludes home schools, cyber schools, sports-related schools, sports academies, preschools, or after school where a student participates outside of the primary school the player is enrolled.

"School attendance" refers to the (place) physical location the player in question attends school during the traditional academic year. Once established, a location of school attendance shall not be considered changed unless the child is enrolled and attends another school or is no longer enrolled in or attending the previous school.

School attendance shall be established and supported by a document indicating enrollment for the current academic year, dated prior to **October 1, 2021**, and with the physical location of the school, from **ONE of the following categories** to determine school attendance by such player:

- Official/Certified school enrollment record dated prior to **October 1, 2021**
- A Little League-issued school attendance form completed by the principal, assistant principal, or administrator authorized to sign on behalf of the school

It is recommended that the league require some proof of residence or school attendance within the league's boundaries at the time the player registers. Players and their parents/guardians are advised that a false statement of residence or school attendance may lead to ineligibility to play Little League Baseball or Softball. Under **NO** circumstances does **ANY** person have the authority to grant a waiver that allows a child to play in a local Little League program **IN ANY DIVISION**, when that child does not qualify under these eligibility requirements. Any league who accepts any player outside of its boundaries and fails to properly document compliance with the "Residence and/or School Attendance Player Eligibility Requirement" or obtain a waiver through the Charter Committee may result in the disqualification of a player, team, or entire league from regular season and/or tournament play.

If the claim for residency or school attendance is challenged, the above materials must be submitted to Little League Baseball, Incorporated, with an affidavit of residency or school attendance from the parent(s) or guardian(s). Little League Baseball, Incorporated shall have the right to request additional documentation in support of the claim of residency or school attendance. The parent(s) or legal guardian(s) will be required to provide said documentation to obtain eligibility. Little League Baseball, Incorporated shall decide the issue in its sole discretion, and that decision will be final and binding. Residency or school documents must illustrate that the residence or school attendance (as defined above) was inside the league's boundaries throughout the regular season (as of June 15 of the year in question).

In the case of a Regulation I(d) Waiver Form, or a Regulation IV(h) Waiver Form, the proof of residence for the **FORMER** residence of the parent(s)/guardian(s) or former school that was within the current league's boundaries must be obtained. This proof of residence for the former residence or former school attendance must be supported by the same documentation as noted above.

TOURNAMENT REQUIREMENT FOR NON-CITIZENS:

A participant who is not a citizen of the country in which he/she wishes to play, but meets residency requirements as defined by Little League, may participate in that country if:

- his/her visa allows that participant to remain in that country for a period of at least one year; or
- the prevailing laws allow that participant to remain in that country for at least one year; or
- the participant has an established bona fide residence in that country for at least two years prior to the start of the regular season.

Exceptions can only be made by action of the Charter Committee in Williamsport. Any request for a waiver pertaining to the eligibility of a player must be submitted in writing, by the president of the local Little League through the District Administrator, to the respective Regional Director not later than the date prescribed in Regulation IV(j). Requests submitted after that date will not be considered.

PROOF-OF-AGE REQUIREMENTS ACCEPTABLE FORMS OF PROOF OF BIRTH DATE

- Original proof of age document, if issued by federal, state, or provincial registrars of vital statistics in the country in which the Little Leaguer is participating.
- If country of participation differs from the country of proof of age document, original proof-of-age document issued by federal, state, or provincial registrars of vital statistics, or local offices thereof, are acceptable proof of age, provided the document was filed, recorded, registered, or issued within one (1) year of the birth of the child.
- An original document issued by federal, state, or provincial registrars of vital statistics, or local offices thereof, listing the date of birth, with reference to the location and issue date of the original birth certificate, is acceptable. (The original birth certificate referenced must have been filed, recorded, registered, or issued within one (1) year of the birth of the child.) Also issued by these agencies are photocopies of the certificate of live birth with the certification also photocopied, including the signature, and include the seal impressed thereon. Such documents are acceptable without "live" signatures, provided the original filed, recorded, registered, or issued date of the birth certificate was within one (1) year of the date of birth.
- For children born abroad of a parent or parents who are U.S. citizens, any official government document issued by a U.S. federal agency or service, is acceptable. For military dependents, Department of Defense identification cards and military hospital certificates are acceptable. These must be originals, not copies, and must refer to a filing, recording, registration, or issue date that is within one (1) year of the birth of the child.
- A "Statement in Lieu of Acceptable Proof of Birth" issued by a District Administrator is acceptable.

NOT ACCEPTABLE AS SOLE PROOF OF BIRTH: Baptismal Certificate; Certificate of Blessing; Certificate of Dedication; Certificate of Circumcision, etc.; Hospital Certificate; photocopied records; passports.

NOTE: Little League International has authorized the Regional Directors for Latin America and Caribbean, Europe and Africa, and Asia-Pacific, to adopt a policy that excludes No. 1 above. Local Little Leagues and districts in those regions will be informed of the regional policy.

HOW TO OBTAIN ACCEPTABLE DOCUMENTS PROVING DATE OF BIRTH

Certified copy-of-birth records may be obtained from the Registrar of Vital Statistics of each state, province, or local office where the child was born. For U.S.-born persons, addresses of these offices or bureaus, fees required, and other pertinent information are supplied by the United States Department of Health and Human Services (National Center for Health Statistics). A database listing the method for obtaining birth records from any U.S. state or territory is available at the following Internet address: cdc.gov/nchs/w2w.htm

Individual states may also have online instructions on how to obtain "rush" birth records. To find out a state's latest policies regarding birth records, go to the Internet site listed below and type "birth records" into the search field, designate the appropriate state, then click on "SUBMIT." à USA.gov

Persons in the U.S. who need a copy of a non-U.S. birth record should contact the Embassy or the nearest Consulate of the country in which the birth occurred. Addresses and telephone numbers for these offices are listed in the U.S. Department of State Publication 7846, "Foreign Consular Offices in the United States," which is available in many local libraries. This information may also be located at the following Internet address [found online](#). Such proof-of-birth records must meet the criteria for acceptable proof listed above.

HOW TO OBTAIN A "STATEMENT IN LIEU OF ACCEPTABLE PROOF OF BIRTH"

When an "Acceptable Proof of Birth" as described previously is not available, then the appropriate number of items in EACH of these FOUR groups are required so that the participant may obtain a "Statement in Lieu of Acceptable Proof of Birth," which is required for such a participant to be eligible for regular season or tournament play:

Group 1. Any one (1) of the following, provided the date of birth is listed: a naturalization document issued by the United States Department of Justice; photocopy of birth certificate; original birth certificate or government record of birth if not containing a filing, recording, registration, or issue date within one (1) year of the date of birth; passport; **PLUS...**

Group 2. Any two (2) of the following, provided the date of birth is listed: Baptismal Certificate; Certificate of Blessing; Certificate of Dedication; Certificate of Circumcision; or any other religious-related certificate; Hospital Certificate; School Record (must be dated, and date of issue must be at least two years prior to current season); Social Security document; Welfare Department document; adoption record. Any item in this group must be an original document, not a copy; **PLUS...**

Group 3. Any two (2) of the following: A written, signed, and notarized statement from
 ... the doctor who delivered the child;
 ... a hospital administrator where the child was delivered;
 ... the principal or headmaster of the school the child attends;
 ... a Social Worker with personal knowledge of the child's date of birth;
 ... a Priest, Rabbi, Minister, Mullah, or other titled religious figure with personal knowledge of the child's date of birth;
 ... the child's pediatrician or family doctor.

NOTE: In each statement in Group 3, the writer must describe his/her responsibilities or his/her relationship to the child, and must attest to his/her personal knowledge that the child was born on the date claimed; **PLUS...**

Group 4. A written, signed, and notarized statement from one or both parents, or the legal guardian (as appointed by a court of jurisdiction), attesting to the date of birth claimed.

The league president will forward the above documentation to the District Administrator (or, if the team is traveling, the Tournament Director). If in the opinion of the District Administrator, such evidence is satisfactory, a "Statement in Lieu of Acceptable Proof of Birth" will be issued. This statement will be considered to be acceptable proof of age from that point forward, throughout the child's Little League experience, provided all the information submitted is accurate. (**NOTE:** If the District Administrator is unable to review the documents, they may be submitted to the appropriate Regional Headquarters.)

NOTE: Situations where players use the name of an adopting family or the name of the family with whom they live, but whose births are recorded under the surname of the natural father or mother, will be handled as follows: The president of the league will obtain from the parents or guardian a document that qualifies under Proof-of-Age Requirements, as well as a copy of the adoption papers (if the player has been legally adopted). If the player was not adopted, a notarized statement from the mother and/or father or legal guardian (as appointed by a court of jurisdiction), saying that the player living under one or the other of their surnames is the same player (for whom the birth certificate was issued) is also required.

These documents will be submitted to the District Administrator. If the documents are found to be acceptable, a "Statement in Lieu of Acceptable Proof of Birth" will be issued and all original documents returned. The information submitted will be kept confidential.

Concussion INFORMATION SHEET

This sheet has information to help protect your children or teens from concussion or other serious brain injury. Use this information at your children's or teens' games and practices to learn how to spot a concussion and what to do if a concussion occurs.

What Is a Concussion?

A concussion is a type of traumatic brain injury—or TBI—caused by a bump, blow, or jolt to the head or by a hit to the body that causes the head and brain to move quickly back and forth. This fast movement can cause the brain to bounce around or twist in the skull, creating chemical changes in the brain and sometimes stretching and damaging the brain cells.

How Can I Help Keep My Children or Teens Safe?

Sports are a great way for children and teens to stay healthy and can help them do well in school. To help lower your children's or teens' chances of getting a concussion or other serious brain injury, you should:

- Help create a culture of safety for the team.
 - Work with their coach to teach ways to lower the chances of getting a concussion.
 - Talk with your children or teens about concussion and ask if they have concerns about reporting a concussion. Talk with them about their concerns, emphasize the importance of reporting concussions and taking time to recover from one.
 - Ensure that they follow their coach's rules for safety and the rules of the sport.
 - Tell your children or teens that you expect them to practice good sportsmanship at all times.
- When appropriate for the sport or activity, teach your children or teens that they must wear a helmet to lower the chances of the most serious types of brain or head injury. However, there is no "concussion-proof" helmet. So, even with a helmet, it is important for children and teens to avoid hits to the head.

Talk with your children and teens about concussion. Tell them to report their concussion symptoms to you and their coach right away. Some children and teens think concussions aren't serious, or worry that if they report a concussion they will lose their position on the team or look weak. Be sure to remind them that *it's better to miss one game than the whole season.*

 **Plan ahead.** What do you want your child or teen to know about concussion?

How Can I Spot a Possible Concussion?

Children and teens who show or report one or more of the signs and symptoms listed below—or simply say they just "don't feel right" after a bump, blow, or jolt to the head or body—may have a concussion or other serious brain injury.

Signs Observed by Parents or Coaches

- Appears dazed or stunned
- Forgets an instruction, is confused about an assignment or position, or is unsure of the game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows mood, behavior, or personality changes
- Can't recall events *prior to* or *after* a hit or fall

Symptoms Reported by Children and Teens

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness, or double or blurry vision
- Bothered by light or noise
- Feeling sluggish, hazy, foggy, or groggy
- Confusion, or concentration or memory problems
- Just not "feeling right," or "feeling down"

cdc.gov/HEADSUP

CONCUSSIONS AFFECT EACH CHILD AND TEEN DIFFERENTLY.

While most children and teens with a concussion feel better within a couple of weeks, some will have symptoms for months or longer. Talk with your children's or teens' healthcare provider if their concussion symptoms do not go away, or if they get worse after they return to their regular activities.

What Are Some More Serious Danger Signs to Look Out For?

In rare cases, a dangerous collection of blood (hematoma) may form on the brain after a bump, blow, or jolt to the head or body and can squeeze the brain against the skull. Call 9-1-1 or take your child or teen to the emergency department right away if, after a bump, blow, or jolt to the head or body, he or she has one or more of these danger signs:

- One pupil larger than the other
- Drowsiness or inability to wake up
- A headache that gets worse and does not go away
- Slurred speech, weakness, numbness, or decreased coordination
- Repeated vomiting or nausea, convulsions or seizures (shaking or twitching)
- Unusual behavior, increased confusion, restlessness, or agitation
- Loss of consciousness (passed out/knocked out). Even a brief loss of consciousness should be taken seriously

 **Children and teens** who continue to play while having concussion symptoms, or who return to play too soon—while the brain is still healing—have a greater chance of getting another concussion. A repeat concussion that occurs while the brain is still healing from the first injury can be very serious, and can affect a child or teen for a lifetime. It can even be fatal.

What Should I Do if My Child or Teen Has a Possible Concussion?

As a parent, if you think your child or teen may have a concussion, you should:

1. Remove your child or teen from play.
2. Keep your child or teen out of play the day of the injury. Your child or teen should be seen by a healthcare provider and only return to play with permission from a healthcare provider who is experienced in evaluating for concussion.
3. Ask your child's or teen's healthcare provider for written instructions on helping your child or teen return to school. You can give the instructions to your child's or teen's school nurse and teacher(s) and return-to-play instructions to the coach and/or athletic trainer.

Do not try to judge the severity of the injury yourself. Only a healthcare provider should assess a child or teen for a possible concussion. Concussion signs and symptoms often show up soon after the injury. But you may not know how serious the concussion is at first, and some symptoms may not show up for hours or days.

The brain needs time to heal after a concussion. A child's or teen's return to school and sports should be a gradual process that is carefully managed and monitored by a healthcare provider.

To learn more, go to cdc.gov/HEADSUP

Discuss the risks of concussion and other serious brain injuries with your child or teen, and have each person sign below. Detach the section below, and keep this information sheet to use at your children's or teens' games and practices to help protect them from concussion or other serious brain injuries.
