District 4 Parent Code of Conduct - Team

California District 4 Code of Conduct

California District 4 has implemented the following Sport Parent Code of Conduct for the important message it holds about the proper role of parents in supporting their child in sports. Parents should read, understand, and sign this form prior to post season play.

Any parent guilty of improper conduct at any game or practice will be asked to leave the sports facility and be suspended from the following game. Repeat violations may cause a multiple game suspension, or the season for

Preamble

The essential elements of character-building and ethics in sports are embodied in the concept of sportsmanship and six core principles:

- Trustworthiness,
- · Respect,
- Responsibility.
- Fairness,
- · Caring, and
- · Good Citizenship.

The highest potential of sports is achieved when competition reflects these "six pillars of character."

I therefore agree:

- 1. I will not force my child to participate in sports.
- 2. I will remember that children participate to have fun and that the game is for youth, not adults.
- 3. I will inform the coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
- 4. I will learn the rules of the game and the policies of the league.
- 5.1 (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every game, practice, or other sporting event.
- 6. I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as booing and taunting; refusing to shake hands; or using profane language or gestures.

- 7. I will not encourage any behaviors or practices that would endanger the health and wellbeing of the athletes.
- 8. I will teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
- 9. I will demand that my child treat other players, coaches, officials, and spectators with respect regardless of race, creed, color, sex. or ability.
- 10. I will teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his/her performance.
- 11. I will praise my child for competing fairly and trying hard, and make my child feel like a winner every time.
- 12. I will never ridicule or yell at my child or other participants for making a mistake or losing a competition.
- 13. I will emphasize skill development and practices and how they benefit my child over winning. I will also deemphasize games and competition in the lower age groups.
- 14. I will promote the emotional and physical wellbeing of the athletes ahead of any personal desire I may have for my child to win.
- 15. I will respect the officials and their authority during games and will never question, discuss, or confront coaches at the game field, and will take time to speak with coaches at an agreed upon time and place.
- 16. I will demand a sports environment for my child that is free from drugs, tobacco, and alcohol and I will refrain from their use at all sports events.
- 17. I will refrain from coaching my child or other players during games and practices unless I am one of the official coaches of the team.

California District 4 Code of Conduct

California District 4 has implemented the following Sport Parent Code of Conduct for the important message it holds about the proper role of parents in supporting their child in sports. Parents should read, understand, and sign this form prior to post season play.

Any parent guilty of improper conduct at any game or practice will be asked to leave the sports facility and be suspended from the following game. Repeat violations may cause a multiple game suspension, or the season for

Preamble

The essential elements of character-building and ethics in sports are embodied in the concept of sportsmanship and six core principles:

- Trustworthiness,
- · Respect,
- Responsibility.
- Fairness,
- · Caring, and
- · Good Citizenship.

The highest potential of sports is achieved when competition reflects these "six pillars of character."

I therefore agree:

- 1. I will not force my child to participate in sports.
- 2. I will remember that children participate to have fun and that the game is for youth, not adults.
- 3. I will inform the coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
- 4. I will learn the rules of the game and the policies of the league.
- 5.1 (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every game, practice, or other sporting event.
- 6. I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as booing and taunting; refusing to shake hands; or using profane language or gestures.

- 7. I will not encourage any behaviors or practices that would endanger the health and wellbeing of the athletes.
- 8. I will teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
- 9. I will demand that my child treat other players, coaches, officials, and spectators with respect regardless of race, creed, color, sex. or ability.
- 10. I will teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his/her performance.
- 11. I will praise my child for competing fairly and trying hard, and make my child feel like a winner every time.
- 12. I will never ridicule or yell at my child or other participants for making a mistake or losing a competition.
- 13. I will emphasize skill development and practices and how they benefit my child over winning. I will also deemphasize games and competition in the lower age groups.
- 14. I will promote the emotional and physical wellbeing of the athletes ahead of any personal desire I may have for my child to win.
- 15. I will respect the officials and their authority during games and will never question, discuss, or confront coaches at the game field, and will take time to speak with coaches at an agreed upon time and place.
- 16. I will demand a sports environment for my child that is free from drugs, tobacco, and alcohol and I will refrain from their use at all sports events.
- 17. I will refrain from coaching my child or other players during games and practices unless I am one of the official coaches of the team.

TOC Playing Rules

TOC Playing Rules

TOC Playing Rules

TOC games, except when noted in District 4 Interleague Rules, are played under Little League Official Playing Rules and Regulations.

District 4 Interleague Playing Rules are found on the Softball and Baseball pages of the District 4 Website.

The ONLY change for TOC from Interleague Rules is that time limits are eliminated for all divisions of softball and baseball. There are <u>NO</u> time limits in TOC.

Mandatory Play Tracker

In all divisions of TOC (EXCEPT Seniors), a Mandatory Play Tracker will be kept during the game by the scorekeeper.

Managers must tell the scorekeeper each defensive half-inning which players are sitting that inning. This is NOT an umpire responsibility.

Once ALL players on a team have met their defensive mandatory play requirement of six defensive outs (in Minor Divisions, a five-run half-inning equals three defensive outs), the log will no longer be kept.

California District 4 Tournament of Champions Continuous Batting Order Mandatory Play Tracking

Mandatory Play Requirements:

Game Location (Field):

- 1. Each player must complete one time at bat. This is met by entering the batter's box with no count, and completing the at bat by being retired; or if becomes a runner, by being put out on the bases, scores, or the inning ends. During the first plate appearance, the player may not be removed until they complete the at bat.
- 2. Each player must play 6 defensive outs. A defensive out consists of being on the field on defense when 6 outs are made, or the inning ends after 5 runs are scored (AAA Baseball and Softball and AA Baseball divisions only).

Date/Time:

Mandatory Play Tracking: Each inning the scorekeeper will note which players are not on the field on defense by marking in the table below. This will serve as the basis for determining who has played on defense that inning.
