Game Guidelines

- Managers confirm game and field location at least 2 days before hand.
- Managers contact other team ASAP if your team cannot make a scheduled game.
- Any game reschedules are conducted directly between the two teams involved. District will not coordinate, but please provide D4 Contact of new date.
- Allow plenty of time to get to the field for away games.
- Respect the field of the home team.
- Games are played under the official Little League rules as indicated in the 2026 Little League Baseball Rules and Regulations and District 4 Interleague rules.
 - No individual league's "local" rules will apply and no "manager agreements" will be allowed to change or modify these rules.
 - More discussion on Playing Rules in the upcoming Baseball Rules Clinics.

Umpires

- The HOME team will be responsible for providing two umpires for each game.
- One of the umpires needs to be at least 18 years old; otherwise Game Coordinator needed
- Strongly encourage volunteer umpires.
- Ensure umpires are aware of Little League rules and D4 interleague rules.
- Provide umpire strategy information to D4 Contact
- D4 has umpires that can be available to work your teenage baseball games.
Contact: D4 UIC: Jim Rose, jrose001@aol.com

Teenage Baseball: Scheduling Guidelines

- Games to be scheduled from 3/2 - 5/30 (13 weeks)
 - Allows week off before TOC play begins (Friday, 6/5)
 - Keep in mind different school district Spring Breaks
 - Avoid games around Memorial Day Weekend
- Target about 16-20 total games (about 2 games a week with some break weeks)
 - Try to do home and home series
 - Double-headers are allowed
 - Leave some open dates for makeup games
 - If interested, Alameda (50/70) and D53 (TBD) contacts can be emailed so additional games may be scheduled

Scheduling Breakouts

Scheduling (“speed dating”)

- Ensure you have a Calendar and Contact List
- Meet with every league and agree upon date(s)
- Each league documents date, time, opponent on calendar
- Tip: Schedule longest away games first, typically on Saturdays

- Games will be input into a master schedule
- All games will be confirmed before you leave
- You may leave once your schedule is fully entered
