Douglas County Cancer Services (DCCS), established in 1989, is a volunteer driven, non-profit organization dedicated to providing support and services to Douglas County residents who are undergoing cancer treatment. DCCS, located in the Community Cancer Center is an easily accessible resource for cancer patients.

DCCS is a sole entity governed only by its volunteer Board of Directors and is funded solely through donations, grants and fund raisers conducted throughout the year. All funds raised by DCCS remain in Douglas County to assist Douglas County cancer patients.

All services provided by DCCS to Douglas County cancer patients are free of charge (dependent on funding) and include the following:

- Prosthesis, wigs, turbans, bras, prosthesis, hats, and scarves
- A complete Christmas dinner for cancer patients and their families
- Financial aid to assist with rent, groceries and utilities while undergoing treatment
- Gas cards for patients who are required to travel to receive treatment.
- Information and resources for cancer patients
