Christmas Dinner Donation Form

Each year during the holidays Douglas County Cancer Services (DCCS) packages a gift box for a COMPLETE Christmas dinner for Douglas County cancer patients and their families. Many of the families have children at home and included items in the box are scarves, hats, and mittens for the family.

DCCS provides these food boxes and delivers them to these families. As we know, cancer diagnoses and treatment may cause a financial and emotional hardship on these families. DCCS has provided these food boxes for a number of years with grant funding and contributions from the community.

We invite you to be a part of this holiday giving by contributing to DCCS. This ensures we may provide the needed number of dinners to cancer patients in our community. Your contribution will be used exclusively to purchase food and needed items for families who are battling cancer. With your donation, we will feature your name in a special Thank You to be published on the DCCS website and social media.

We hope you will share in this message of Hope by completing the coupon below and returning it to DCCS with your tax-deductible donation to Douglas County Cancer Services.
