The Henderson County Art Club Show was a fantastic success at the Malakoff Senior Citizens Center! They had a wonderful turn out and so much fantastic art!!! A big thank you to all that participated and to those that came out to support the show. Our members in the Star Harbor Watercolor Society had a strong showing and won numerous awards!! I have talked with the May committee members and they would love for the ribbon winners to bring their paintings with the ribbons up to City Hall May 2nd to be displayed for May and June. Let us brag on you!!!

This **Friday, May 2nd is our second business meeting** for the 2014 year. We will be nominating 3 members to be on our nominating committee. They will then present their slate of names for each office at our regular meeting on Sept. 5th to be voted on Nov. 7th. Please notice the change in the date for our Sept. business meeting to the 5th. Please mark your calendars to indicate the change.

Judy Ellis is the committee chairperson for May. She is working on a few ideas for us and will let us know the details later.

April committee members need to pick up their paintings at City Hall May 2nd. We have gotten many wonderful compliments on your work! So thanks for sharing your paintings with us.

I want to give a shout out to Maxine Riewer! Thank you Maxine for always handling the supply order for everyone. She is always checking to make sure we get the best possible price on materials and shipping. Getting these orders together can be very tedious and time consuming. One way we can thank her for her dedicated work for our club is to make sure we pick up and pay her as soon as we can when the items come in.

Do you know of a DVD that would be great for our group????? Let us know because we are in process of buying a few to add to our library. Don't forget we have a list of all the different DVD's our members own on our website. Check it out!!

Look who's coming to Star Harbor.....Come to our meeting this Friday, May 2nd and find out more about the exciting and famous artist's we have coming to provide workshops for us!!!!

See you Friday, May 2nd at 9:30!!!!
