Seven Points — The Library at Cedar Creek Lake will host a watercolor art workshop with Ann Moye. The event will be from 10 a.m. to 4 p.m., on Thursday, May 6. The cost is \$40.

Exhibiting in art shows has become one of Moye's passions. Since 1982, she has won multiple awards in local and statewide competitions.

The experience of presenting her art for judging has helped her understand what judges and the public look for and enjoy. She shares her experiences in many types of art by providing demonstrations and classes for students.

She recently taught classes for Continuing Education at Trinity Valley Community College in Athens, and two seasons at the Library at Cedar Creek Lake. She has her own studio in Athens.

Her paintings are currently on display in several commercial establishments including Franklin Bank, The Athens Welcome Center, Lake Athens Marina Restaurant, Dos Amigos Restaurant and Gode's Gallery Membership, an associations for professional artists who desire to keep in touch with other artists and to obtain and share information relating to their craft.

She is a member of the Art Club in Athens, the Watercolor Society in Star Harbor and the Central Texas Watercolor Society in Waco.

The Library at Cedar Creek Lake is located at 410 E. Cedar Creek Parkway in Seven Points.
