December 28, 2013

WHEW!!! We have all made it through the fast and furious holiday season in relatively good shape and we have 365 days to get ready for the next Christmas. ( I can hear the simultaneous and painful groan ) December was a fun time for our group as we got to have a nice Christmas party get together and had our traditional " Soup-a-thon " where we sample about eight or so different soups that are made by our members and also some fabulous cakes, pies, cookies and candies to boot. We not only paint but we have some world class chefs in the group too. A great time was had by all.

January will find us getting into full swing preparing for our 'For the Love of Art Show and Sale' that will be held this year on Sunday February 16 at City Hall. This is our big event each year and our artists have been painting all year in anticipation of this popular event. So we will be getting things into place and working hard to bring another beautiful show to the community and to you, our wonderful supporters. Thanks to you all and have a Happy New Year.

See you in February at the Show
