

Star Harbor Watercolor Society Newsletter

February, 2013

Artist,

Please notice you have two attachments. One is an evaluation form for the show and sale. This is a very important part of continued growth and development. I hope you know by now, that if you take to precious time and effort to fill something like this out, your board will read every word and take it very seriously. It's important to us that you know your are heard and listened to. Your board is working hard for the love of this club and you. So please fill it out and then return it to our VP, Meridel Clement via email or snail mail.

The second attachment is a form for the monthly committee members to use. We have so many new members or members who have never been a chairperson I thought this might help take some of the worry out of it for you. Please print it off and place a copy in the folder I gave you so you will have it when needed. Also, never hesitate to contact one of your board members when you have a question or need help.

I hope you have been going to our website and playing around. It is going to become a very helpful tool to you for club information. Right now you can go to our calendar and on the right find a link for the Terrell Paint Out. There is a \$400 prize!!!

Also, I need to ask you to send your photos and information to me for the website. Our webmaster could be overwhelmed very quickly if she started getting emails from so many different directions. In order to keep things simple, I need for you to submit things through me. Thanks!!

At the end of each month when we have a critique day I would like for you to bring any painting(s) you have completed and have it matted or framed. I plan to take a picture of you and your painting and have it on the website. I just love bragging about you guys and this is one more way I can to do that and have something for people to see too!
