## Newsletter

June, 2014

Hey! Hey!!

I have heard nothing but WONDERFUL things about Leslie's workshop on water and rocks. It makes me sick that I didn't get to attend. I look forward to hopefully having that opportunity in the future!! Thank you Leslie for sharing your time and talents with our group. They loved it!

As you all know, June is a free paint Friday month. We do not have a committee for this month but we do have Henderson County Art Show ribbon winners displayed at City Hall. Wow!! Wonderful! And just think, this is only a sampling of what this group can do!

We will be showing some of our new DVD's on the following Friday's for you. Please come! You can watch and paint along, just watch, or paint on something you are working on and enjoy the DVD as you do. One of our Tech. Committee Members will be there to handle the showing of the DVD's for you.

### **June 13 - Ann Pember, "Painting in the Flow of Watercolor"**

The focus is on a mountain stream and the use of only five color and two brushes. She will demonstrate painting moss covered rocks, dense forest foliage and currents of water.

### **June 27 - Joyec Faulknor, "Watercolor Quick and Easy with Crystal and Glass"**

Her focus is on easy techniques for painting crystal and glass. We will learn how to paint reflections, refracted color and distorted shapes for a variety of cut crystal and glass objects.

Both of these DVD's should be great follow-ups to workshops we have just recently had. Different DVD's will be selected for July and August to help us through our summer months. I'll keep you posted so you will know what is coming.

Reminders:

July Committee

\*Pam Jenkins (chairperson)

Diane Gard

Myrle Gard

Toni Dossier

\*These members will need to let me know when they would like to hang their paintings up at City Hall so those that are already

\*These members will need to let me know when they would like to hang their paintings up at City Hall so those that are already there can be picked up.

\*Please inform me of any activities or programs you would like to provide for the club. Call me or email me with any questions.
