Sergeant Stubby Questions:

1. Stubby was an amazing dog. Are you surprised that a dog could do everything Stubby did? Explain.

What (if anything) did you find the most surprising?

2. Do you think Stubby really did do all he's claimed to have done, or do you think some of the claims may have been exaggerated?

If you have a hard time believing everything in the reading, what do you find the hardest to believe? Why?

3. What does it mean to be brave?

4. Can dogs really be brave? Maybe, they just act instinctively or just do what they've been trained to do. What do you think?
