*The Cat and the Devil* Questions

1. Do you believe it's true that there are no cats in Copenhagen?

If there really *are* cats in Copenhagen, why would Steven's grandfather say that there aren't any?

There are two problems in the story of the *Cat and the Devil*. The first problem is how the town can get a bridge built across the river. This problem is solved when the devil agrees to make the bridge.

2. What is the next problem (conflict) in the story?
3. How is this second problem solved? (What is the resolution to the conflict?)
4. When did you guess how the Mayor was going to outwit the devil and solve the problem?
