1. Write the equation (multiplication problem) that goes with this grid:

X	20	6
40	800	240
3	60	18

_____ x _____ = _____

2. Write the equation that goes with this grid:

X	500	60	7
4	2,000	240	28

_____ x _____ = _____

3. Fill in the <u>blanks</u> with the correct operation symbols:

23 x 56 = (20 ___ 3) ____ (50 ___ 6)

5 x 672 = 5 ____ (600 ____ 70 ____ 2)

4. COMPLETE THE GRID BELOW:

| X	700	_____	_____
5	_____	450	25

Write the equation (multiplication problem) that goes with the grid:

_____ X _____ = _____

5. COMPLETE THIS GRID:

X	600	_____	_____
7		560	63

Write the equation (multiplication problem) that goes with the grid:

_____ X _____ = _____
