## DOUG FREEMAN'S 1931 VICTORIA COUPE

I purchased the Victoria in 1964, from a family in Concord. Completely restored the car in the late '60's and drove it to Seattle, WA in 1972 to the 7th MAFCA National Meet. The Victoria won 2nd place in "30-31 closed car" class and the 1st place winner, also a Victoria, but was trailed from Southern California!

Reyanne, I and our twin daughters drove from Concord and into Canada after the meet. Later, in the '70's, we sold the car to a collector, in Oakland, and bought it back in 2007.
