Dear Ladies,

What a whirlwind of a year! When the JAV year began last May, I had high hopes that our members would continue to fill specific needs in our community and that we would flourish in the roles that God had planned for us this year. I think it's safe to say that we accomplished exactly that. This spring we hosted our third-annual Magnolia Charity Ball and eleventh-annual Birdie and Bogey for Kids Golf Tournament. Both events helped us to reach our fundraising goal! Active members also spent countless hours in their service projects working with children of all ages in Vicksburg. I am so thankful for this group of ladies who take time away from their families and jobs to make the children in our community feel special.

A new year brings big changes for JAV. As our partnership with the YMCA continues to grow, we are so thankful that they have agreed to let us hold our meetings in their meeting space. We will hold our first meeting at the Y in May. Additionally, the chapter has voted on bringing back a former project "Safety Town" this year, as well as a new fundraiser: "Fairytale Tea". Our members are full of great ideas and enthusiasm for these new events, and I know they will both be successful.

I am truly honored to have had the opportunity to serve as President of this organization. I love JAV, its current and former members, and all that it stands for. Thank you all for making this chapter an important part of our community and an organization of which I am so proud.

Jordan Amborn  
2018-2019 JAV President

# Project Spotlight: Heart & Sole

Heart & Sole partners JAV members with members of the Vicksburg Family Development Girls Club for physical and mental health education, as well as mentorship. This year's Christmas party, held at the antebellum home of life member Harley Caldwell, featured a special guest - current Miss Mississippi Asya Branch, whose platform revolves around growing up in a large family with a father who is in prison. Not only did the girls consider her to be a celebrity, but they were surprised to find they quickly identified with her story. Asya's message was simple: work hard and, most importantly, stay true to who God made you to be. Each of the girls received their own tiara during the party, crowned by Miss Mississippi herself.

## How We Serve...

# 2018-2019 Provisional Project

Future Steps was a playground project that strived to create a fun, safe, and colorful environment for the children of Lifting Lives Ministries, Inc. This project included a grill, a basketball goal, a playground, a library, hopscotch, four-square, and playing balls for the family shelter - great job, provisionals!
