

MARY MAGDALENE GATHERING

November 19, 2023

Presented for the
Mary Magdalene Community Houston, Texas

Welcome

Let's take a moment to clear our minds,
Open our hearts
And allow ourselves to be.

Opening

Solo: The Blessed One greeting them all, saying: Peace be with you—may my Peace arise and be fulfilled within you! Be vigilant, and allow no one to mislead you by saying: “Here it is!” or “There it is!” For the child of true humanity exists within you. Follow it!

All: Those who search for it will find it

Solo: Peace be with you.

All: Acquire my peace within you

The background is a soft, teal-colored gradient. Overlaid on this are several white, out-of-focus dandelion seed heads, with their fine, feathery seeds clearly visible. The seeds are scattered across the frame, creating a sense of light and movement.

- “Now the earth was formless and empty, darkness was over the surface of the deep, and the Spirit of God was hovering over the

waters. **And God said, “Let there be**

light,” and there was light. God saw that the

light was good, and he separated the light from the darkness. “God called the light “day,” and the darkness he called “night.” And there was evening, and there was morning—the first day.” ([Genesis 1:2-](#)

[5](#) NIV)

When Jesus had said these things to his disciples, he told them, “Whoever has ears to hear should hear.”

Now it happened, when Mary heard these words as the savior was speaking she gazed into the air for an hour and said, “My master, command me to speak openly.”

The compassionate Jesus answered and said to Mary, “Blessed Mary, you whom I shall complete with all the mysteries on high speak openly, for you are one whose heart is set on heaven’s kingdom more than all your brothers.” (18)

Pistis Sophia , The Gospels of Mary

Empaths focus more on interpersonal relationships and healing the emotions of others, while **lightworkers** focus on lifting the planet, and a **spiritual healer** is someone who becomes a channel for the flow of healing light and energy.

Healer's Prayer

Excerpt from A Course in Miracles, Ch. 2
Special Principles of Miracle Workers

I am here only to be truly helpful.

I am here to represent Him Who sent me.

I do not have to worry about what to say or
what to do,

Because He Who sent me will direct me.

I am content to be wherever He wishes,
knowing He goes there with me.

 will be healed as I let Him teach me to
heal.

“*Lightworkers* are those who volunteered, before birth, to help the planet and its population heal from the effects of fear. Each lightworker is here for a sacred purpose.

Very often, however, life on earth with its material focus creates a form of amnesia in lightworkers. They then forget their divine and perfect identities, and also their abilities to miraculously help the earth and all living creatures.

When lightworkers forget their true identity and purpose, they feel lost and afraid.”

Doreen Virtue

In everyone's life, at some time, our inner fire goes out. It is then burst into flame by an encounter with another human being.

We should all be thankful for those people who rekindle the inner spirit.

Albert Schweitzer

**"No one after lighting a lamp puts
it under the bushel basket..."**
