

From: Notes from the Pastor
Ref: Prayer Journal

What is a Prayer Journal you may ask? Well, it's a tool that help's our members during their prayer time. It is designed so that in a week we can pray for all our Pastor, Deacons, Yoke fellows, every church member, Missionaries and all our programs. Remember Prayer is our most powerful tool.

I'm sure that you understand why such information should not be accessible by anyone who visits our website. Sadly, there are forces that surf websites with the intent to discredit Churches and their members.

So, to protect your privacy our PRAYER JOURNALS are only handed out at Church. So, if you would like one, please see our Treasurer Miss Bobbi.

Like in the Wizard of OZ, information changes quickly here, as well in the prayer journal. So, we work very hard to keep it current. The last Edition was November 2021, and an update is currently InProgress.
