

Christian Arts Academy is EVERYWHERE this summer!

- [In-Person](#) in the Ivy Creek parking lot, 5:30-7:30PM, July 26-30
- [At-Home](#) with reserved CAA Kits available for pick-up at Ivy Creek, July 26 5:00-7:30PM
- [On the Web](#) at ivycreekchristianarts.org any time

Christian Arts Academy (CAA) offers kids FREE creative ways to find God in the arts. We offer all sorts of crafts, cooking demos, music, praise dance instruction, games and puzzles, Bible stories, and more!

This year's theme is *Esther: Made for Such a Time as This*.

40 in-person spots and **70 take-home kits** are available for **kids ages 4-14**.

In-person CAA will be **outside in the Ivy Creek United Methodist Church parking lot**. We will abide by all CDC-recommended COVID safety and social distancing guidelines.

CAA Kit materials and activities are designed for **three age groups**: 4-7 year-olds, 8-10 year-olds, and 11-14 year-olds, and families can specify which kit they need for each child in their family.

Kits provide a FREE 5-day supply of craft and recipe materials and ingredients, and can be combined with our online activities for extra fun.

Families are welcome to join us in-person, at-home with CAA Kits, and on the web, or for any combination of the three they prefer. **Kit and online activities are different from the ones offered at in-person CAA**, so there's plenty of fun to be had, without worry of repetition.

Registration for an in-person spot and reservation of a take-home kit are quick and easy on our website: ivycreekchristianarts.org.

CAA donations will be designated for the **Shelter for Help in Emergency (SHE)**, serving families facing domestic violence. Our 2021 service project is painting step-stools for children staying at SHE's emergency residential shelter to use to reach the bathroom sinks.

CAA Kits will also be donated to children served by the **Loaves & Fishes** food pantry.

We welcome ALL children, regardless of what church they attend, or whether they attend no church at all.
