I will be there

Will you fight for me; when I'm feeling
bruised?

Will you hold me when I'm sad?

Will you love me as I am?

I will be there.

Will you help me to pursue all my dreams?

Will you accept me; whatever state I'm in?

Will you look into my eyes and let me know
it's all going to be ok?

I will be there.

Will you protect me; when my world is
coming against me?

Will you cry with me?

Will you laugh with me; when I'm happy?

I will be there.
