What is love?

What is love, who can answer, who can
phantasm love, who knows the depths,
who knows the heights, who can really
know what love means.

Look at what Jesus did on the cross.
Was that love?

Look at what Mother Teresa did every
day.
Was that love?

Who fully understand love?
Is it a man and a women having dinner
together?

The answer is: ask Jesus.
For when all else fades away only love will
remain.
