

'At the feast of Belshazzar'

At the feast of Belshazzar and a
thousand of his lords
How they drank from golden
vessels as the book of truth
records.

Shall the record be found
wanting – or shall it be found
trusting?

While that hand is writing on the
wall.

Tis the hand of God on the wall,
Tis the hand of God on the wall
Tis the hand of God on the wall.

Shall the record be found
wanting – or shall it be found
trusting
While that hand – is writing on
the wall?
