Hunter Forex is a provider of financial market education, signal alerts and copy trading through the form of account management. Hunter Forex is not a brokerage and does not interact with the physical form of monetary funds, nor is it regulated by central banks.

## JOB SPECIFICATIONS

Hunter Forex invites experienced candidates to apply for the position as a Foreign Exchange Trader. The purpose of the opening is to increase the number of traders within the firm and hence boost capital growth of the company as well as promote sales. The position is a fully online position and should a candidate qualify, if necessary, the relevant equipment to assist their operations will be provided.

Our company is a multi service company and our operations range from Stock Market Analyzing & Broadcasting to Capital Account Management and Business Consultancy under our team of financial experts.

Under our Information Technology department, our operations range from Website Development to System and Administrative Management of companies including troubleshooting, software and hardware maintenance etc.

## JOB DESCRIPTION

The Foreign Exchange Trader will oversee and complete foreign currency trades on foreign exchanges and in worldwide commodity markets.

## SUPERVISORY RESPONSIBILITIES

- May oversee colleagues' work when tasks are related to currency exchanges.
- Assists with performance evaluations as needed.

## DUTIES & RESPONSIBILITIES

- Oversees and maintains the organization's foreign currency market position through funds provided by the organization.
- Executes foreign currency transactions for clients through capital account management.
- Provide Technical and Fundamental Analysis in the form of trade alerts to clients in a variety of tradable assets.
- Advises international clients on foreign markets and fluctuations.
- Maintains current knowledge and close following of major commodity markets including crude oil, petroleum and natural gas products, CFD's on Indices, and precious metals.
- Recommends and promotes products and services based on international currency and commodity markets.
- Performs other related duties as assigned.

## REQUIRED SKILLS & ABILITIES

- Thorough understanding of international markets.
- Excellent verbal and written communication skills.
- Thorough understanding of trading software and brokerages.
- Excellent organizational and management skills.
- Ability to study markets to identify patterns and indicators.

## EDUCATION & EXPERIENCE

- Bachelor's degree in Economics or Finance preferred. (Pursuers eligible)
- Relevant experience trading in international markets after evaluation by management.

## SALARIES & COMMISSIONS

Hunter Forex offers attractive payroll schemes too its administrators based off roles and responsibilities. In regard to the administrative role of a Foreign Exchange Trader, two payout schemes are provided of which both are applied to administrators:

- Cooperative Based Payout: As per administrator duties, marketing and promoting the organization is amongst our priorities and hence should be our representatives as well. Marketing material will be provided and it is the duty of admin to distribute the material on platforms where applicable. All profits attracted by administrators will be distributed accordingly and additional funds reserved for the purpose of expanding the organization.
- Contract Based Commission Payout: Hunter Forex operates as a multi-function company offering additional services in business consultancy and technological departments. Due to marketing of the organizations services, administrators may be offered a contract under Hunter Forex. Upon successful signing of the contract, administrators will be awarded a percentage of the contract.
