

Crawford Oaks Community Newsletter May 2019

DOGGIE STATIONS

Three (3) more doggie stations have been added which now gives us a total of ten (10) throughout the community. The three new doggie stations were installed at the following locations:

- Corner of Birch and Timber Hills Drive
- Intersection of Sycamore and Timber Hills Drive (by the light pole)
- Corner of Oak Meadow and Timber Hills Drive

BACK ENTRANCE SIGN

The sign has been refurbished and now has a fresh coat of paint in new colors. The new colors help make the sign more visible.

PLEASE OBEY THE SPEED LIMIT.....ITS THE LAW

Street parking is not allowed. If your drive way is blocked, please call the City of Oakwood Police.

**POOL****Need a Pool Access Card?**

If you need a pool card, please mail your payment of \$40 to

Crawford Oaks HOA c/o CMA

1465 Northside Drive Suite 128

Atlanta, GA 30318

POOL OPENING

We are in process of scheduling the pool inspection with the Environmental Health Department. Once the inspection is complete and given the okay to open the pool, we will let everyone know. **Until the pool is successfully inspected, IT IS NOT OPEN FOR USE.**

HOA Communication

Communication is important. Did you know we have a website at crawfordoaks.com?

Find us on Facebook (link is on the website)

We also use email as a means of communication. We'd like to ensure that we have current emails for everyone. Please send an email to bill@crawfordoaks.com with your name, street address and email addresses that you'd like added to the distribution list.

We will use all of these tools to provide communication to the community.

Mailbox post style and numbers must remain consistent in look throughout the community.

Numbers can be obtained at Georgia Mountain Graphics. The contact there is Beth.

LANDSCAPING

We are working with the landscaper to:

- add some plants to add some color to the flower beds outside of the pool building
 - scheduled for completion by the end of the month
- add some flowers at the rear entrance and front entrance
 - completed
- add fresh pine straw in the common areas
 - scheduled for completion by the end of the month

- Please make plans to pressure wash the siding of your home to remove any mold, dirt or mildew, also if your shutters or doors are discolored or faded in any way, please make plans to paint the approved color. This helps demonstrate a neat appearance and improves curb appeal.
- Now is a good time to freshen pine straw or mulch and plantings in flower beds
- Please remove oil stains from your driveway
- Pet waste stations are located throughout the community – PLEASE USE the baggies provided to clean up after, and dispose of your pets waste. Cleaning up after your pets is courteous so that others aren't exposed to stepping in the waste. Animal waste can create a health hazard to others, so please do your part.
- Recycle bins may be placed at the curb after 4pm on Monday for Tuesday pickup. Bins are to be removed from the curb by the end of the day on Tuesday.
- Trash cans may be placed at the curb after 4pm on Tuesday for Wednesday pickup. Cans are to be removed from the curb by the end of the day on Wednesday. Trash cans should be stored out of public view, except on trash day.
- Residents are asked not to park on the streets. The number of cars at any given residence should not exceed the number of parking spaces on their own parking pad. If you have guests and do not have room for them to park at your residence, please notify the HOA to obtain permission for them to park in the parking area next to the pool. Email Roger at roger@crawfordoaks.com. Cars parked on the street create a safety hazard. Please do not block another person's access to their driveway/property. If this occurs, the police may be notified, cars may be towed, and residents may be fined.
- Pets must be on a leash when outside your home or fenced yard. Both the City and County have leash ordinances.

Please take note of a few of the more notable reminders below.

- **All trash cans are to be stored out of public view at all times other than trash days. Storing trash cans on the side of your home is not out of public view. Trash cans are NOT to be left on the curb after trash day.**
- **DO NOT place items such as furniture on the curb UNLESS you have made arrangements with the trash company to pick them up. Items for trash pickup follow the same rules as trash cans to and from the street.**
- Several homes have siding that are in need of being pressure washed
- Homeowners are responsible for cleaning out all flower and tree beds ridding them of overgrown grass and weeds regularly to avoid letters. Also, please apply fresh pine straw or mulch to help weeds not take over and for a neater appearance.
- If your balance is 2 months or over, delinquent, your account will be sent to the collection agency. Please keep your accounts paid in full each month. Due the 1st late by the 10th to avoid late fees.

Lawn Maintenance

Lawn service days are Monday and Tuesday.

Summer Annuals

May is the time to plant your summer flower beds. The choice of flowers is important but preparing our clay soils is the most important task of all! Without well prepared soil your flowers are destined to fail. The first step is to till your soil up with a roto-tiller or with a shovel to a depth of 8". Be sure the soil is loosened well and remove any large rocks and debris. Add a couple of inches of organic matter and roto-till again. The finished product should be mounded and loose enough that you can dig a hole with your hands. This process is key to your plant's performance. This creates an environment that gives the roots a place to grow quickly as well as good drainage to remove excess water from the root zone. Too much water is as bad as too little.

Plant selection should be based on the sun/shade where your beds are located, as well as how tall the plants can be in that particular area. There are so many great varieties of plants and new plants are coming on the market every year. Choose combinations of plants that have varying textures and heights (tallest plants in the back of the bed). Be sure to follow the instructions that come with the plants on spacing, you want to be sure the plants are given enough space to grow and develop.

Some great plants not widely used are Scaevola, Angelonia, Duranta, Sunpatiens, and Cordyline. Happy planting!

From the HOA Board.....

The landscapers are in our community each week during the growing seasons to mow, edge (rotating between the front and back every other week) and blow. Weed control will be performed at the appropriate time of the year.

If you have a complaint, please contact our Property Manager, Memrie Creswell and do not take a confrontational approach with the landscaping crew. The landscaping crew is working hard to provide a service and deserve to be treated with respect by everyone. If you have questions about the lawn maintenance, please direct those to Memrie and not the maintenance crew. They have a lot of work to do and need all the time possible to complete the work.

Pet Feces in yards

The lawn maintenance crews WILL NOT service yards that are found to have feces in them. It is each homeowner's responsibility to clean up after their pets, whether in their own yard or when out walking.

Doggie stations are placed throughout the neighborhood when walking your dogs.....please use them and clean up after your pet. Please be respectful of others and ensure that you clean up after your pet.

Our HOA is financially sound. As of April 30th.....

- Total Assets = \$286,831.38
- Operating Account = \$105,219.64
- Reserve Account = \$181,611.74

HOA monthly fees are due for receipt by the first day of the month. If you find yourself in a situation where you are unable to pay your HOA dues, or are behind on your dues, a payment plan may be considered. To discuss a payment plan, please contact Memrie Creswell at CMA.

Each homeowners annual dues total \$660. Below is a graphical display of how your dues are used to budget for our expenses.

Recreation expenses are those related to the amenities. Safety expenses are those related to the security system. Utility expenses are those related to the electricity, water/sewer and phone for the common areas and amenities.

Administrative	\$173	26%
Grounds & Landscaping	\$321	49%
Recreation	\$41	6%
Repairs & Maintenance	\$87	13%
Safety Equipment	\$7	1%
Utilities	\$32	5%

Have you checked out the Crawford Oaks website?

HALL COUNTY EMERGENCY ALERT SYSTEM

With the Citizen's Alert System, Hall County will be able to alert residents about severe weather, fires, floods, toxic environmental issues and in-process violent crimes.

Messages can be sent to individuals using a variety of contact mechanisms:

Cell phone / Email / Fax / Landline telephone / Pager / Text messaging

This ensures that residents and Hall County staff receive life-saving emergency information and important public service announcements in minutes.

For more information and to sign up, go to

<http://hallcounty.org/271/Emergency-Alert-System>

Wonder what's happening in the City of Oakwood?

City of Oakwood

www.cityofoakwood.net

City of Oakwood Municipal Code of Ordinances

https://library.municode.com/ga/oakwood/codes/code_of_ordinances

City of Oakwood Planning Commission Meetings are held the 3rd Monday of each month at 7pm.

City of Oakwood City Council Meetings are held the second Monday of each month at 7pm.

Have an idea or suggestion? Please email any one of the HOA Board members or our property manager, Memrie Creswell
