

Steamboat Rock Cemetery Index

Lot Owners & Burials

February 2, 2021

The first number indicates the row of stones numbering from 3 on the east side to (eventually) 45 on the west side.

The second number indicates the particular Plot (lot) on that line of stones numbering from L on the north to 26 (or 27) on the south.

See the general map below.

Note that most of the Plots are **full lots** meaning that they have **four grave** spaces.

Some Plots have only **two graves** spaces – referred to as **half lots**.

Each grave space is five feet wide (60 inches).

Cemetery rules allow two burials per grave space so long as at least one of them is a cremation burial.

If there are questions: Contact the members of the Cemetery Board: Arnie Luiken - Lora Kramer - Deb Meints - Ed Bear - Bruce Baillie – Greg Heikens - Roger Pickering: caretaker
