Applicant: Please provide electronic or hard copies of Recommendation Form, Part 1 **and** Part 2 to the person who will provide your recommendation. The information you provide on Part 1 will be important for that person to know as he or she writes your recommendation. Make sure to choose someone who knows you well and can speak to your unique qualifications for a scholarship. Give that person plenty of time to complete and return your recommendation by the March 1 deadline. It is up to you to follow up and ask if the recommendation was submitted on your behalf. People who provide recommendations are often busy, but care enough about students to put significant time and thought into their letters. Don't forget to thank them!

The person providing your recommendation should complete Part 2 of the recommendation form (available on the *Scholarships* tab on our website) and either email it directly to scholars@cillescholarship.com, or upload it via the Google Form available on that same webpage. Only a single recommendation is required, even if you apply for all three scholarships.
