ELEVATE YOUR WALLS WITH NATURAL ELEGANCE AND MODERN STYLE

IMPRESSIVE STYLE APPEAL WITH HD REPLICATIONS OF NATURAL STONE & WOOD

Designer Inspired Ultra HD decors, replicating impressive Natural Stone & Wood patterns. Available in two different size models that add depth and transform ordinary walls into naturally beautiful surfaces.

LIGHT WEIGHT | EASY TO CARRY & HANDLE | SIMPLE INSTALLATION

FLUTED SPC PANELS - are designed to be DIY friendly. Average sized walls can be installed within a few hours. Versatile product - suitable for various residential & commercial interior wall applications

HIGH QUALITY | DURABLE | LONG LASTING PERFORMANCE

Structurally solid, impact resistant, very durable and guaranteed to last. Premium quality and completely safe formula which consists of 70% Natural Stone, Virgin pvc, as well as the highest grade polymers and minerals fused together under heat & high pressure using special tech Extruders. Our Core provides next level performance above and beyond competing products

FIRE RESISTANT QUALITIES

SPC is a highly fire resistant product for any floor or wall application - giving you comfort and peace of mind.

WATER RESISTANT | LOW MAINTENANCE

FLUTED SPC PANELS are designed to be a low maintenance solution for any residential & commercial feature walls. The surface is 100% water proof, however water can penetrate through the edges therefore they cannot be used in wet areas like showers. Products can be cleaned with a microfiber duster. Water mixed with a PH neutral cleaner can be applied to a microfiber cloth to wipe down the panels.

ECO FRIENDLY PRODUCTION

Our production encompasses recycling systems that produce ZERO manufacturing waste. With a recent 6mw solar system investment - 100% of our factory will operate using Green Renewable Energy.

SOUND ABSORPTION QUALITIES

FLUTED SPC PANELS - mitigate sound and offer improved sound insulation qualities in any residential & commercial setting

MARKETING DISPLAY BOARDS

APPLICATIONS:
IDEAL CHOICE FOR ALL RESIDENTIAL & COMMERCIAL INDOOR WALL APPLICATIONS:
FEATURE WALLS | BATHROOMS | KITCHENS | BEDROOMS | RETAIL | OFFICE | LOBBIES | SHOWROOMS

PRODUCTION

State of the art, 300,000 sqft Factory located in Bursa Turkey. Equipped with fully automated, high output production lines and a talented technical team, capable of producing, an annual 85 million sqft (8 mil. m2), of high quality SPC Floor & Wall products. Our company places a high emphasis on sustainable production, by utilizing high tech recycling systems which produce zero manufacturing waste. With a recent 6 Mw solar system investment, 100% of our factory will soon operate using Green Renewable Energy.

PREMIUM QUALITY EUROPEAN PRODUCTS

Provide your clients with prestigious European SPC Floors & Walls, which are built to last. Our products portray a luxury, desirable and superior quality image. What sets us apart from the competition is our unwavering commitment to using only the finest quality raw materials, which are processed on precise, high tech machinery. Our entire team is dedicated to offering the best overall product, value & customer service experience. We provide all these advantages while still remaining competitive with Asian imports.

UNMATCHED LEAD TIMES & SERVICE

Our factory being strategically located in close proximity to our European clients, coupled with our high production capacity, enables us to offer significant lead time reductions. In addition, large Inventory is maintained in our combined 150,000 sqft distribution centers, located in Toronto Canada & Statesboro GA USA; ready to reach our North American clients within days. Keeping less inventory & ordering more frequently allows our clients to significantly free up finances, reduce overhead costs, operate efficiently and minimize risk. We place a high emphasis on providing excellent service which extends to handling all logistics & customs to our clients facilities worry free. Our mission is to simplify your business so you can focus on selling.
