PRODUCT SPECIFICATION

Plank Size: 12" x 36" Inches (305 x 915mm)

Edges: Micro Beveled

Core: Endurance Tech SPC (Stone Polymer Composite with 2000 kg/m3 Density)

Thickness: 5mm or 7mm (Including High Density IXPE Pad)

Protection: Ultimate Shield; Scratch, Stain and Wear Resistant - Surface Coating -

Wear Layer: 22mil (0.55mm) | 12mil (0.3mm)

Visuals: Digital Ultra HD, Naturel Stone Appearance.

Surface: Stone Replicated Lightly Textured

Installation: I4F Drop Lock System

Residential Warranty: Lifetime Limited

Light Commercial Warranty: 7 - 10 Year Limited

Intertek Clean Air Gold Certified: Our products meet the most stringent air emissions criteria

HIGH QUALITY STANDARDS OF PRODUCTION: Our products meet and exceed USA Quality ASTM & ISO Standards

QUANTITIES & WEIGHTS

QUANTITIES - 5MM THICKNESS: BOX: 8 PIECES, 24 SQFT (2.23 M2) | 52 BOXES PER PALLET, 1248 SQFT (116 M2)

WEIGHTS: 42.5 LBS - 19.28 KGS PER BOX / 2210 LBS - 1003 KGS PER PALLET

Edges: Micro Beveled

Core: Endurance Tech SPC (Stone Polymer Composite with 2000 kg/m3 Density)

Thickness: 5mm | 7mm (Includes 1mm & 1,5mm Pre Attached High Density IXPE Pad)

Protection: Ultimate Shield; Scratch, Stain and Wear Resistant - Surface Coating

Wear Layer: 22mil (0,55mm) | 12mil (0,3mm)

Visuals: Digital Ultra HD, Nature Inspired Realistic Wood

Surface: Wood Grain or Natural Stone Embossed. Impressive & Realistic Surface Textures.

Installation: I4F LOCKING SYSTEM

RESIDENTIAL LIMITED WARRANTY: LIFETIME (25 YEARS)

LIGHT COMMERCIAL LIMITED WARRANTY: 7-10 YEAR

Intertek Clean Air Gold Certified: Our products meet the most stringent air emissions criteria

HIGHT QUALTY STANDARDS OF PRODUCTION: Our products meet and exceed USA Quality ASTM & ISO Standards;

Quantities:

Box: 8 Pieces, 24 sqft | 52 Boxes per pallet, 1248 sqft | 19 pallets per truckload, 23,712 sqft

Weights: 40 lbs per Box / 2210 lbs per pallet

ULTIMATE SHIELD SPECIAL SURFACE TREATMENT:

Sets a new industry benchmark in surface protection. This Special UV Coating Technology provides superb performance in Scratch, Stain and Wear Resistance (10x Stronger Resistance then reguler UV)

ENDURANCE TECH CORE

Featuring proprietary technology to create the ultimate strength SPC waterpooof core, which provides over 2000 kg m3 density. This results in a product that is structurally solid, impact resistant, extremely durable and guaranteed to last. We achieve this by utilizing a premium quality and completely safe formula which consist of 70% NaturalStone, Virgin PVC, as well as the highest grade polymers and minarels fused together under heat & high pressure using special tech Extruders. Our Core provides next level performance above and beyond competing products.

Healthy Flooring Choice

GENERAL PRODUCT INFO

SPC is a stone polymer composite flooring which is made of 70% Natural Stone & 30% combination of Virgin pvc, minerals and stabilizers. Featuring ENDURANCE TECH CORE with 2000 kg m3 density, it combines the strength of stone and the beauty of wood with five layers designed to resist wear and retain a luxurious look for decades. SPC flooring is waterproof & very easy to install, clean, and maintain. It provides vivid three - dimensional & high definition replications of various beautiful hardwoods in a large variety of colors, designs and patterns. SPC Flooring is regarded as a recent revolution in the flooring industry and highly demanded in the market due to its practicality, comfort, easy installation, natural beauty and worry free use & long term performance. Our products exclusively feature ULTIMATE SHIELD SURFACE COATING; which provides industry leading and superb scratch, stain and wear resistance. Its is suitable for various applications around the home including kitchens, living rooms, dining rooms, bedrooms and even areas susceptible to getting wet like bathrooms, laundry rooms and basements. It is also suitable for use in various light to medium commercial areas such as offices, dentist and doctor centers, daycares, multi family units, hotels, restaurants and various retail stores. All products feature a high density IXPE built in underpad which provides comfort and impressive sound absorption benefits. SPC Flooring is completely safe for our health, with testing to back it up. It is also among the most durable flooring options available in the market; featuring a lifetime residential limited warranty and 7-10 year light commercial limited warranty. Last but not least, it is one of the most affordable flooring options in terms of total product and install cost.

ULTIMATE SHIELD TECHNOLOGY

Sets a new industry benchmark in surface protection. This Special UV Coating Technology provides superb performance in Scratch, Stain and Wear Resistance (10x Stronger Resistance than regular UV) It is sourced from an American company and found on all TRU-STONE Products

ENDURANCE TECH CORE

QUALITY CONTROL PROCESS

PHASES OF PRODUCTION

PRODUCTION

State of the art, 300,000 sqft Factory located in Bursa Turkey. Equipped with fully automated, high output production lines and a talented technical team, capable of producing, an annual 85 million sqft (8 mil. m2), of high quality SPC Floor & Wall products. Our company places a high emphasis on sustainable production, by utilizing high tech recycling systems which produce zero manufacturing waste. With a recent 6 Mw solar system investment, 100% of our factory will soon operate using Green Renewable Energy.

PREMIUM QUALITY EUROPEAN PRODUCTS

Provide your clients with prestigious European SPC Floors & Walls, which are built to last. Our products portray a luxury, desirable and superior quality image. What sets us apart from the competition is our unwavering commitment to using only the finest quality raw materials, which are processed on precise, high tech machinery. Our entire team is dedicated to offering the best overall product, value & customer service experience. We provide all these advantages while still remaining competitive with Asian imports.

UNMATCHED LEAD TIMES & SERVICE

Our factory being strategically located in close proximity to our European clients, coupled with our high production capacity, enables us to offer significant lead time reductions. In addition, large Inventory is maintained in our combined 150,000 sqft distribution centers, located in Toronto Canada & Statesboro GA USA; ready to reach our North American clients within days. Keeping less inventory & ordering more frequently allows our clients to significantly free up finances, reduce overhead costs, operate efficiently and minimize risk. We place a high emphasis on providing excellent service which extends to handling all logistics & customs to our clients facilities worry free. Our mission is to simplify your business so you can focus on selling.
