Spooky Candle Holders

If you're into all the creepy, scary, bloody things then this craft is for you. We like the fun cute things. What better way to have fun with spooky decor then making spooky character faces on votive candle holders?

Read on for the easy directions.

What you will need:

- Small clear glasses
- DecoArt glass paint
- Brushes
- Tea light candles

Directions:

1. Paint to just paint one layer over each of the glass votives. I followed all the directions on the paint.
2. Once the paint was dry, I use the Deco Art 3D Opaque Glass Writers for the faces. It was so fun to draw fun faces on these little guys!
3. Super easy and fun.
4. Once the paint is completely dry, drop your candles in and light them up for some Spooky fun!

Aren't they cute?!
